

FOOD

1. Use flashcards to pre-teach cooking vocabulary before cooking activities. (See the flashcards at the end of the worksheet.)
2. Match the country with typical ingredients used in the cuisine.

Czech Republic	sour cream
	cabbage
Poland	pasta
	sea food
Slovakia	potatoes
	dumplings
Romania	bacon
	beetroot
Croatia	cheese
	sausage

3. Choose at least 3 ingredients from the list above. Write a recipe using these ingredients and appropriate verbs. You can use water and seasoning without limits. But except this, you can add just one more ingredients.
