Autumn has come. The leaves are falling
and some birds are leaving.

You can go outside and collect some of the beautiful leaves.

It's good idea to have an umbrella on a rainy day...

...especially when you
have to walk to school.

When you go to school remember to be on time.

On your way wear
something warm, too.
Have you got a raincoat?

My favourite raincoat is yellow. And yours?

These pets love red. What fruit are they holding, I wonder?

Lovely autumn time, everyone! What other autumn words do you know?
