

DAY 1

On Monday we left our houses at 3pm we went to the airport of Nantes and met our teachers. We took off at 6:25. We did a stopover at Amsterdam after a flight of 1 hour and 45 minutes. We took the second plane in the direction of Riga. We finally landed at Ogre to join our correspondent. She took me to a café. Then we went back home.

DAY 2

With my correspondent, we went to school.

Students introduced the school and they welcomed us with a shout in the morning.

Later in the afternoon, in the evening Baiba (my correspondent) took me to ride an electric bike.

DAY 3

In the morning at school, we had a presentation of the scratch game. We were in a group to answer to a questionnaire. We also did the game about the water.

Before eating we played football. After we ate and we took the train to go to a museum about energy. In the evening, we went to the forest for a night ride of 9,5km.

DAY 4

We took the bus to go to Jurmela and we saw the energy efficiency centre. We went to see the Baltic sea and we had lunch on the beach.

In the afternoon, we made a visit of Riga

which was guided by Latvians. After all, we did souvenir shopping.

DAY 5

When we went to school, we received diplomas. The bus took us to Sigulda. We went to see a workshop: from skills to professions. We all could make a model. In the afternoon, we went to see a medieval castle in Taraida. The castle was made of brick. It was burnt in 1776. At 4pm we took the bus back to Ogre.

DAY 6

On Saturday it was the day with my best family. I went to a market with them, we watched a movie and at 12:30, we went to Riga. We did bowling and we went to the shopping center.
