

15/10

Today, we discovered the typical dance and music of Latvia and the school. We practiced sport activities. We visited the History and art museum. We ate at the school canteen! At the afternoon, we played at the Kahoot game with spanish, italian and latvian students and then we walked around Ogre.

16/10

Today, we presented the scratch games to the latvian, spanish and italian. Then, we played at the water board game created by the italians. We took a quizz in groups with one spanish student, one italian student and one or two latvian students. We ate at the canteen at the school. We went to the museum of energy by train. We visited the Dam it was so cool!

17/10

We arrived at school at eight past thirty. We went to Jurmala by bus to visit the energy efficient center and we walked by the Baltic sea. Then, we took the bus to Riga. We went on an excursion around the old town for see the monuments and the architecture. We had same free time. We went to Ogre.

18/10

Today, we received the certificate presentation ceremony. Then, they gave us a cake in the shape of an owl. We took the bus to Sigulda. We saw the city in miniature (mini peoples, small houses, small vehicles...) and we created our own polystyrene city. Madara and Marta were our guide when we visited the castle, we even climbed to the top of the tower where we took same pictures.

19/10

On Saturday, with Juliette, we went to the market, we tasted things from Latvia. After, we made bread and a small brioche. We went bowling with Hortense for two hours. Then, we ate in a very popular restaurant in Latvia. After that, we went shopping to Riga.
