

**Erasmus+ Development and Cooperation.  
Meeting in Binissalem (March, 16-21 2015)**

**Thursday Work: Design of a rubric or decision sheet**

Suggested dynamic for the session:

- Arrive to the meeting place.
- This work has to be done cooperatively. Remember what we learned about cooperative work on Monday.
- Review of the information gathered during the speech of Tuesday.
  - a) Main topic of the speech.
  - b) List of items for the evaluation of the project.
  - c) Short meaning of each one of the items.
- Decide whether you will use a rubric, a scoring list or a different method.
- Write the meaning of the each rubric sentence or score. If you use a different method, describe the procedure.
- Decide whether all the items will have the same specific weight or not. If not so, decide which weight percentage of each item.
- Draw the outline of this document so that it can be typed out for its use in the plenary session of Friday.
