

NATIONAL PARKS IN CROATIA

Dario Marijanović 8.b

- With its exceptional natural beauty, this area has always attracted nature lovers, and already on 8 April 1949, it was proclaimed Croatia's first national park

PLITVICE LAKES NATIONAL PARK

- The park is primarily covered in forest vegetation, with smaller areas under grasslands. The most attractive part of the park – the lakes – cover just under 1% of the total park area.

KRKA NATIONAL PARK

- Named after the Krka River, the Park covers an area of just over 142 square km and includes two thirds of the river itself
- Krka National Park lies about 10km inland from Šibenik in this part of Dalmatia

NATIONAL PARK MLJET

- **MIjet National Park is a large area that borders two saltwater lakes – Veliko and Malo Jezero**

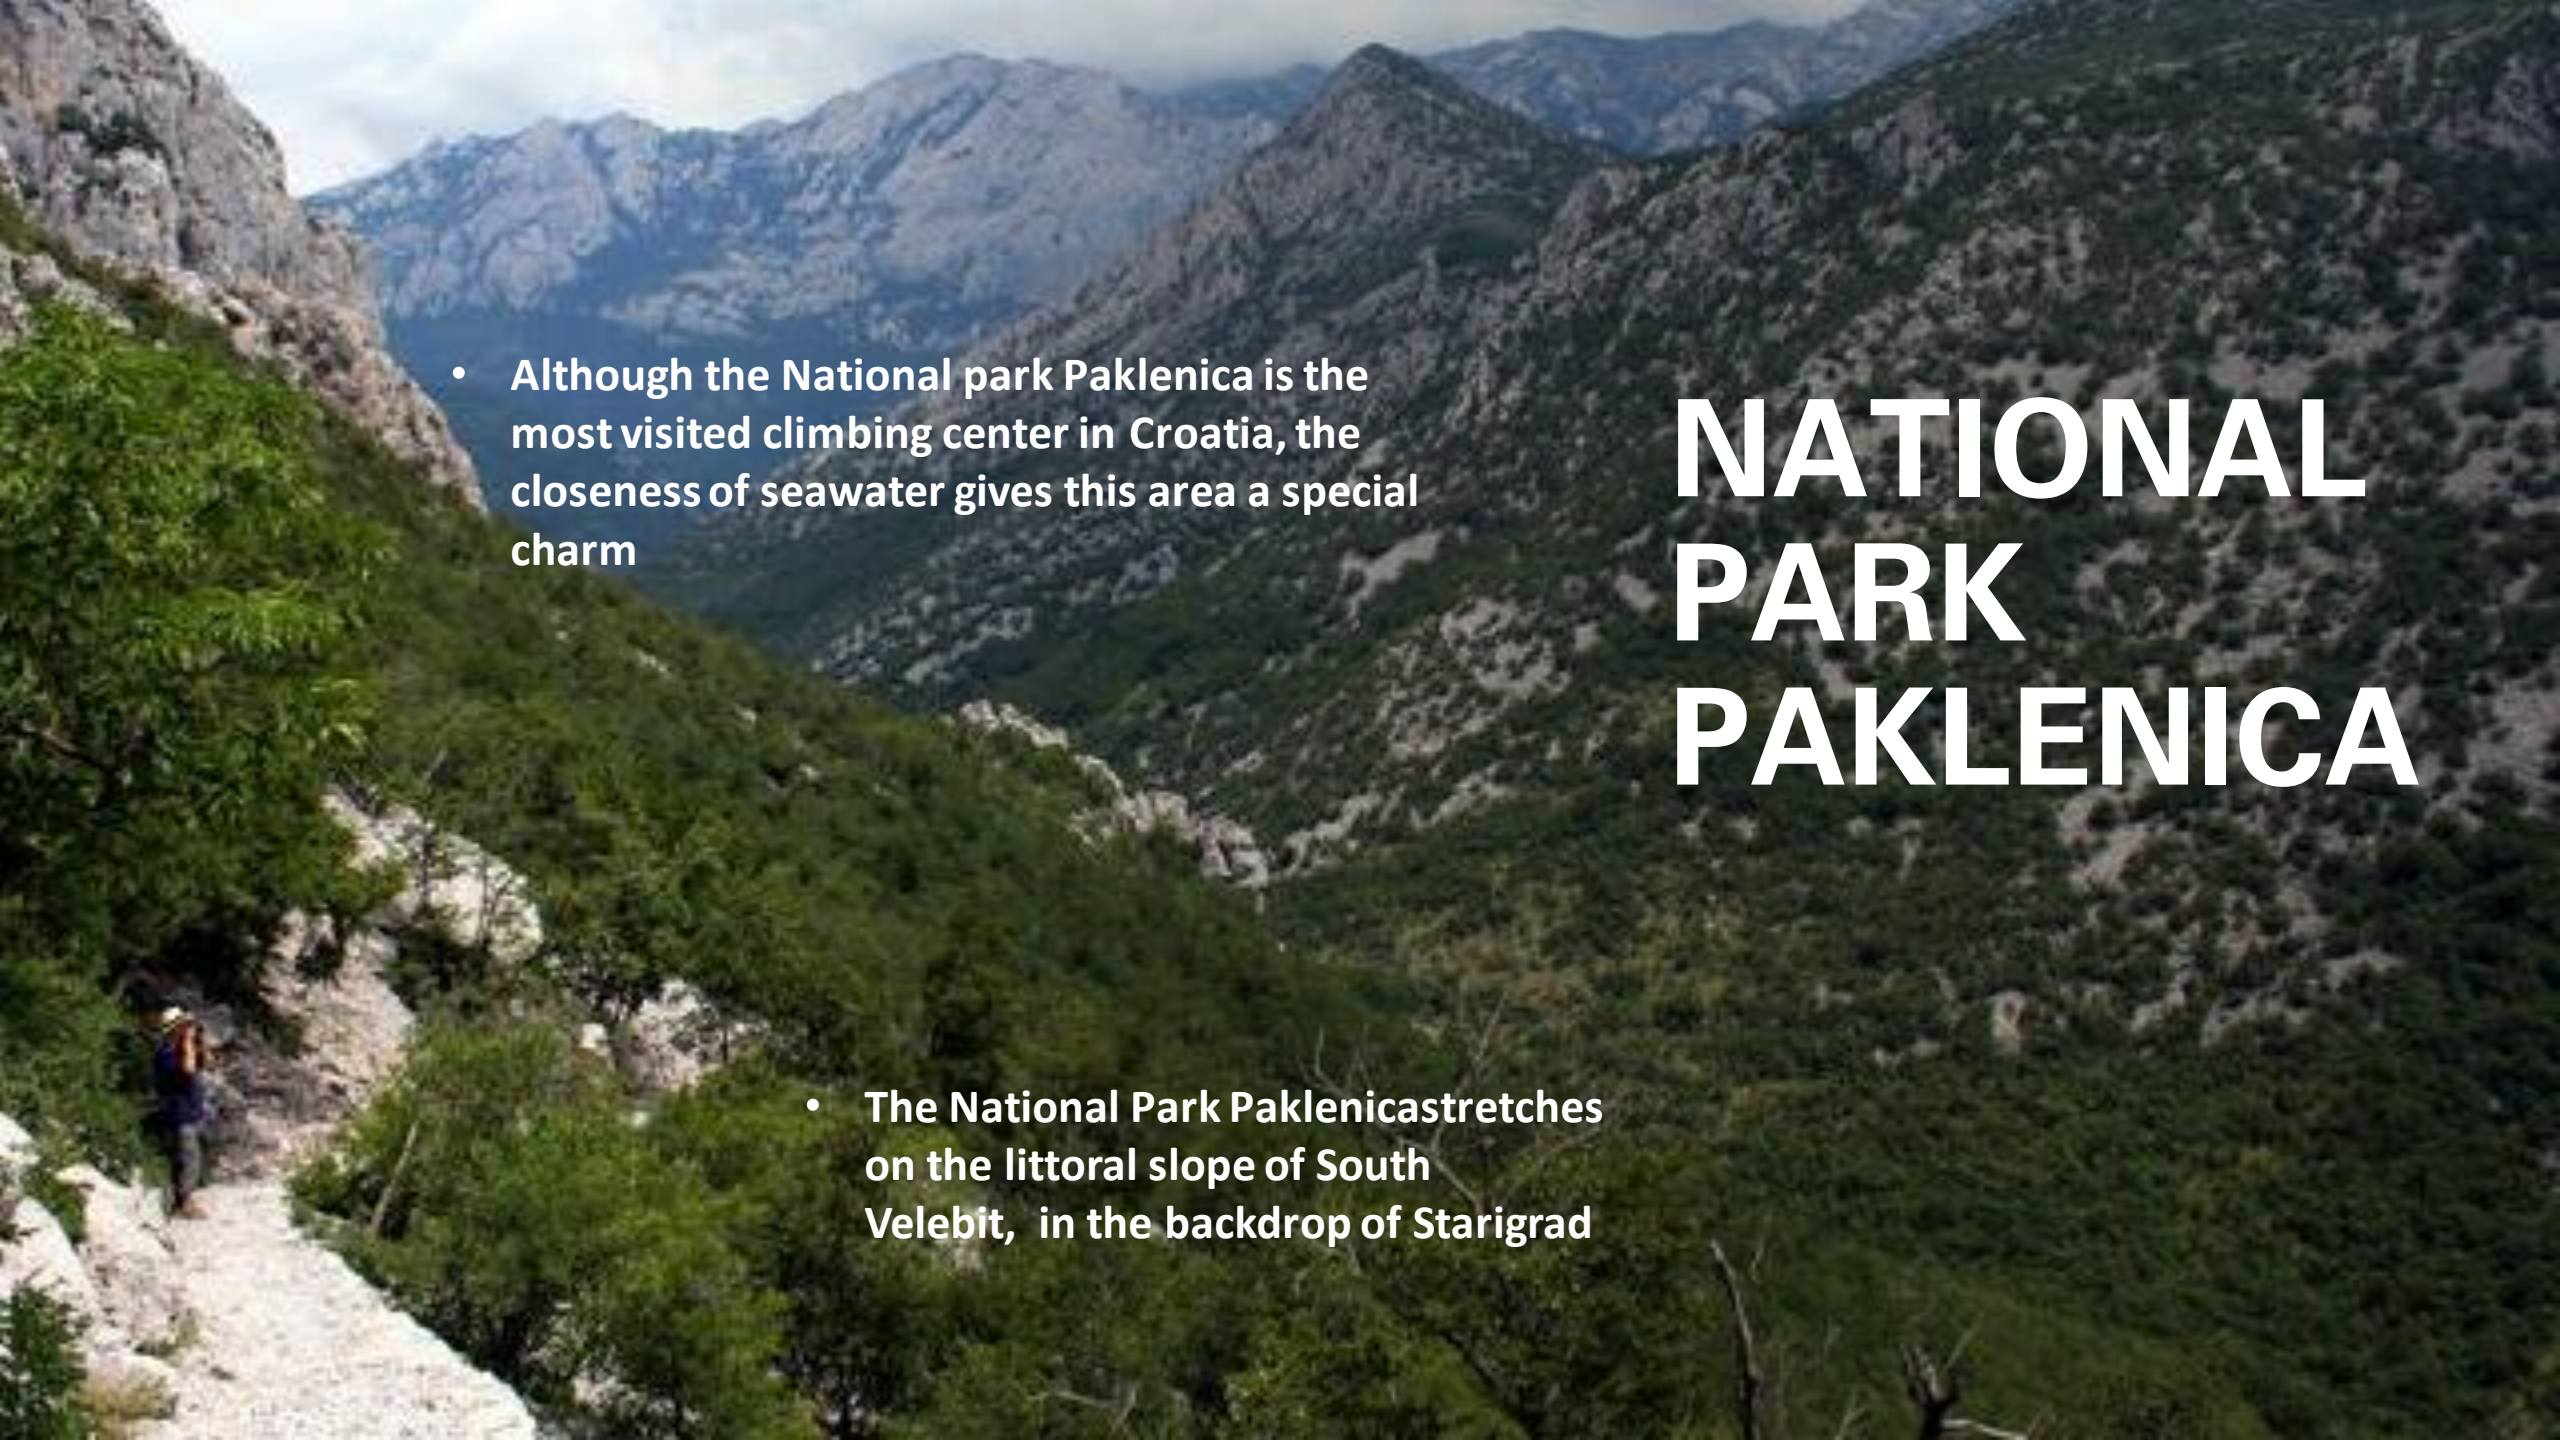

- **The small island is connected by boats that sail there from both sides of the Lake**

NATIONAL PARK KORNATI

An aerial photograph of the Kornati National Park coastline. The image shows a rugged, rocky coastline with steep cliffs and dense green vegetation. A large, calm bay with turquoise water is visible, surrounded by the land. In the background, more islands and mountains are visible under a clear blue sky.

The Kornati National Park is often mentioned as "nautical paradise" in tourist publications. And really, in "slalom" sailing through the 89 unforgettable islands

- This is the most indented island group in the Mediterranean

- 
- Although the National park Paklenica is the most visited climbing center in Croatia, the closeness of seawater gives this area a special charm

NATIONAL PARK PAKLENICA

- The National Park Paklenica stretches on the littoral slope of South Velebit, in the backdrop of Starigrad

NATIONAL PARK BRIJUNI

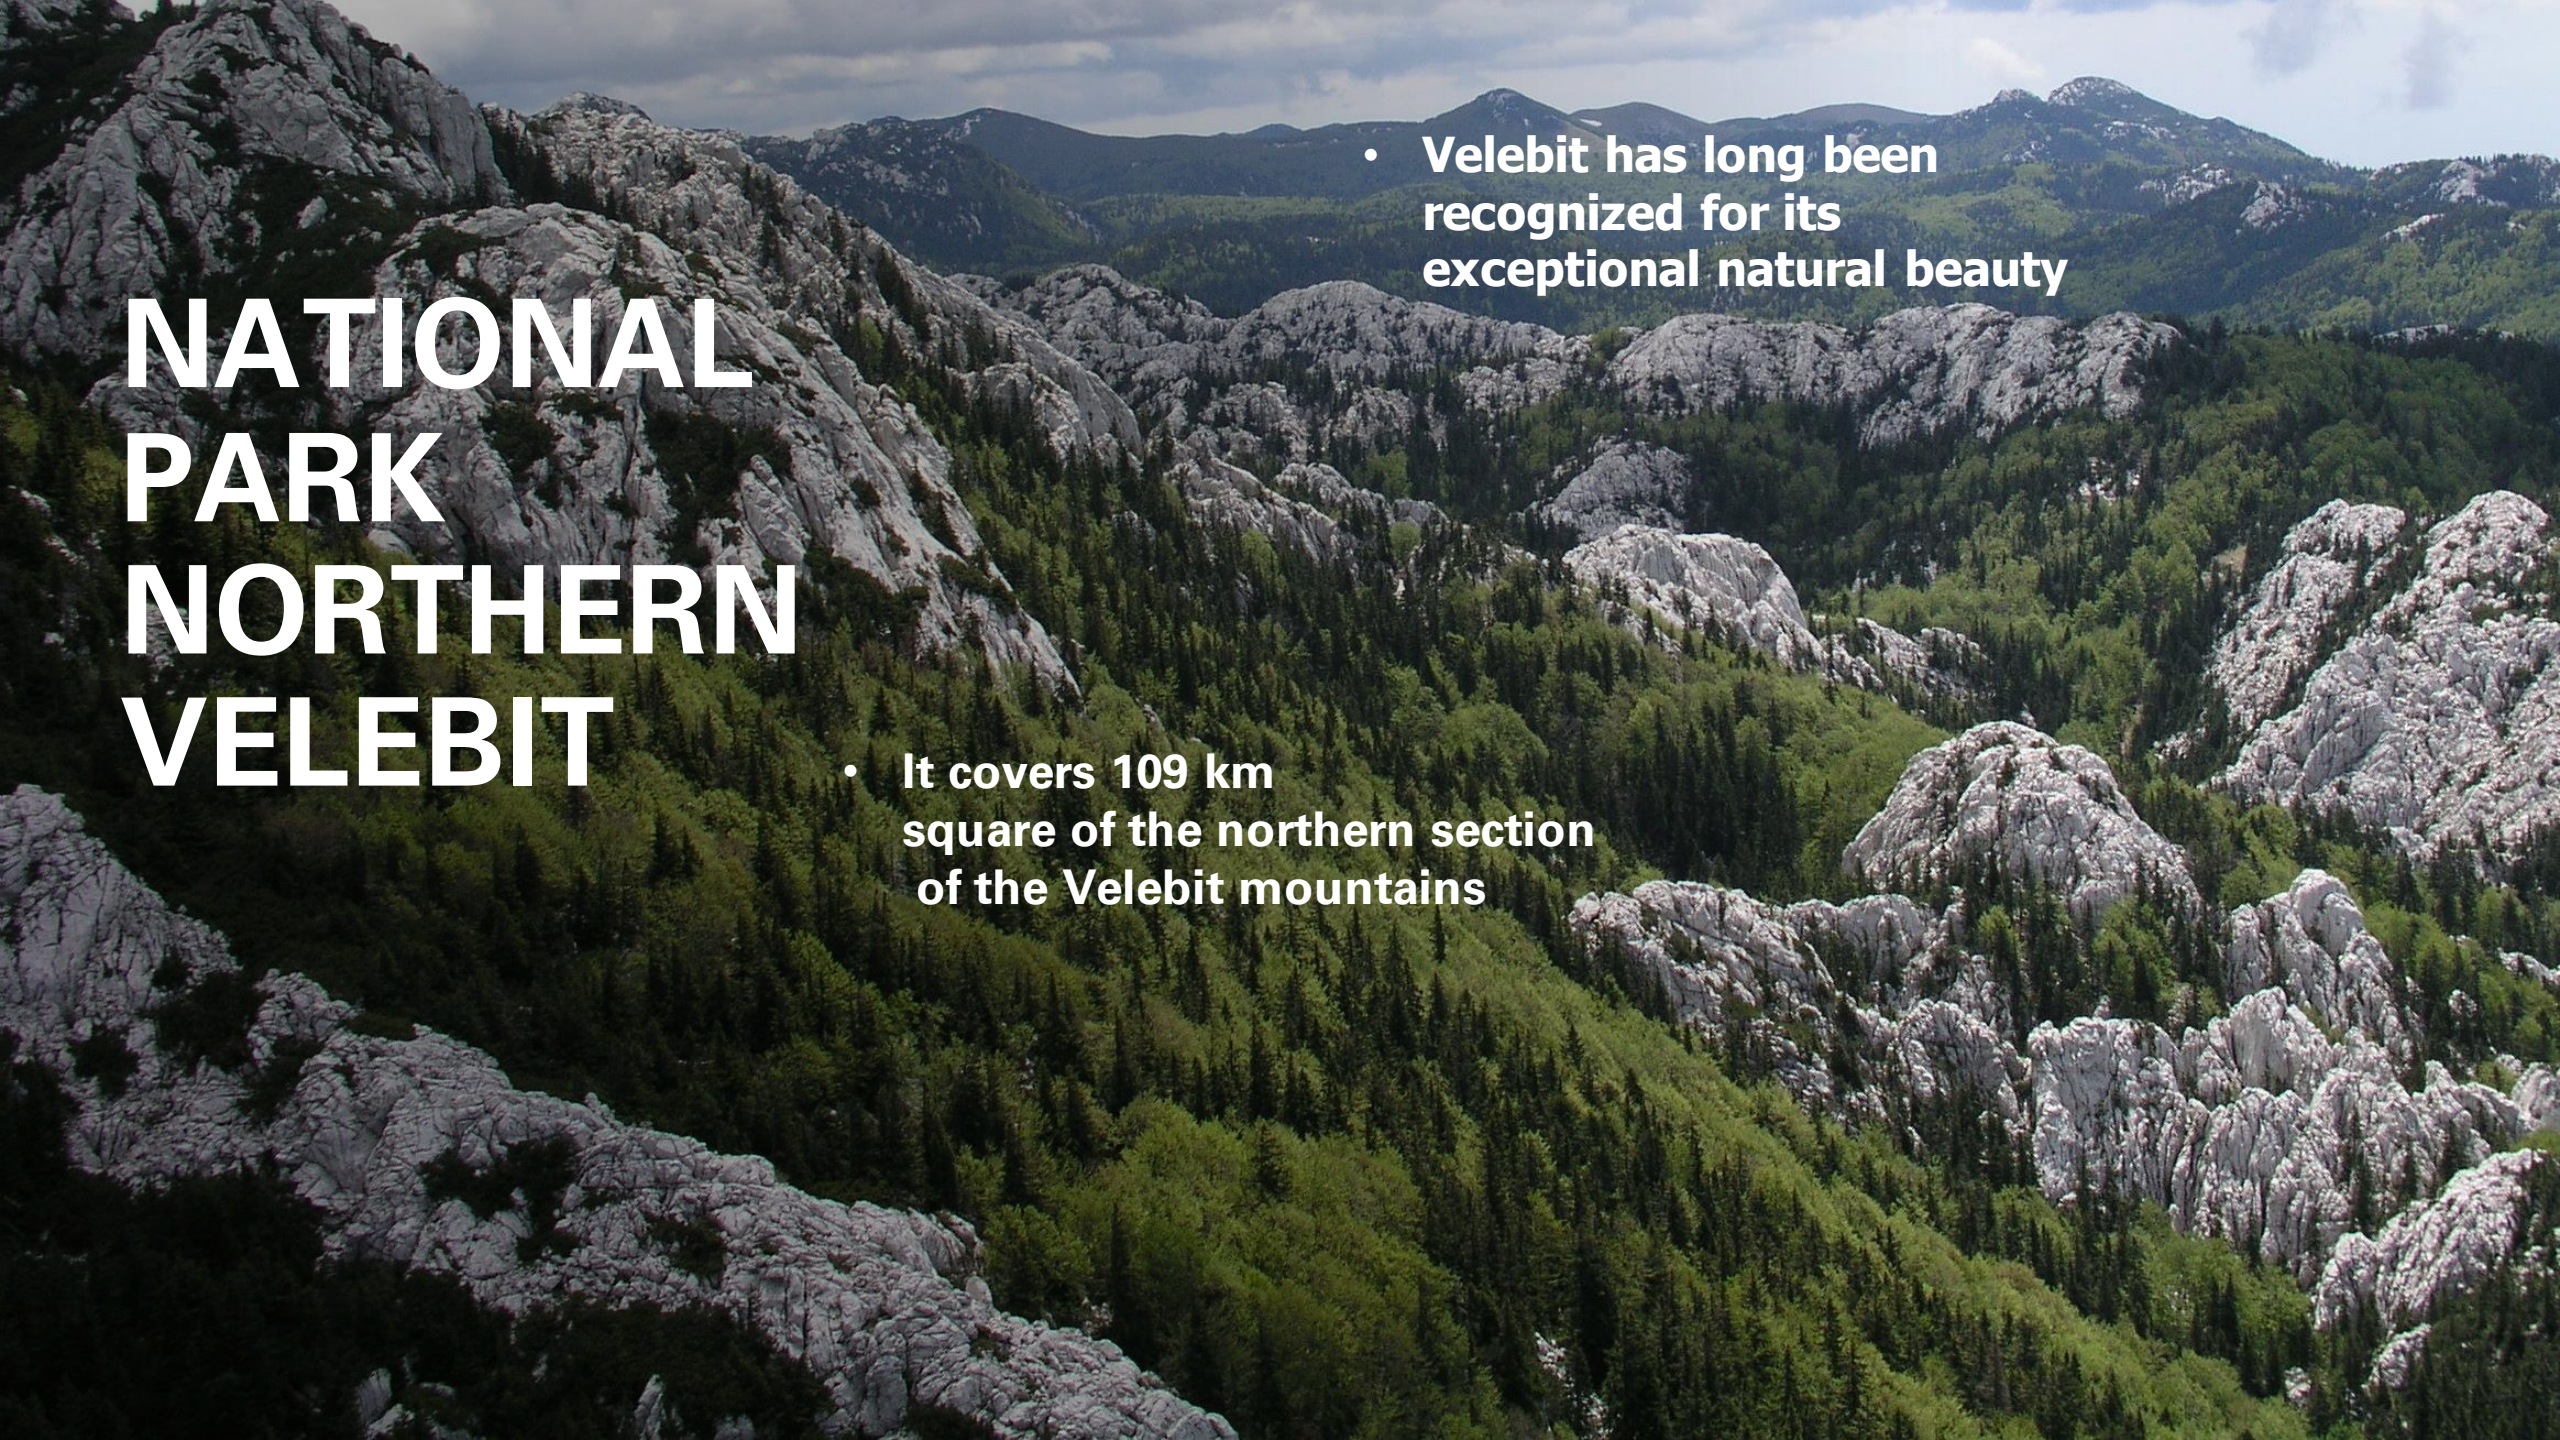

- It has 14 islands and is often referred to as heaven on Earth

Most of the flora on the archipelago of the Brijuni islands has the typical Mediterranean characteristics

- The NP Risnjak is beautiful place to visit in any part of year because of numerous springs, streams, magnificent hills and mountains and wonderful country sides all year around, and offers you various activities

NATIONAL PARK RISNJAK

- Its located in Gorski kotar, about 15 km inland from Adriatic Sea

NATIONAL PARK NORTHERN VELEBIT

- **Velebit has long been recognized for its exceptional natural beauty**
- **It covers 109 km square of the northern section of the Velebit mountains**
