

Online Escape Room

I prepare an escape room with google form in online education. I want to introduce gamified learning to my students by creating escape rooms.

It can be a nice break from daily homework.

Skills to be created through escape rooms:

- Problem solving
- Teamwork
- Setting and reaching goals
- Communication in a group
- Leadership
- Critical thinking skills

What we need for our Escape Room:

- A theme with some kind of mystery element.
- Theme related questions.
- Puzzles / Riddles / Tips.
