*Me and my friends flying
to Latvia, we arrived in
Riga at 3:40 pm*

*Arriving a Riga we
took the bus to go
to the hotel, during
the trip I took a
picture to this
landscape.
The city is very
beatiful*

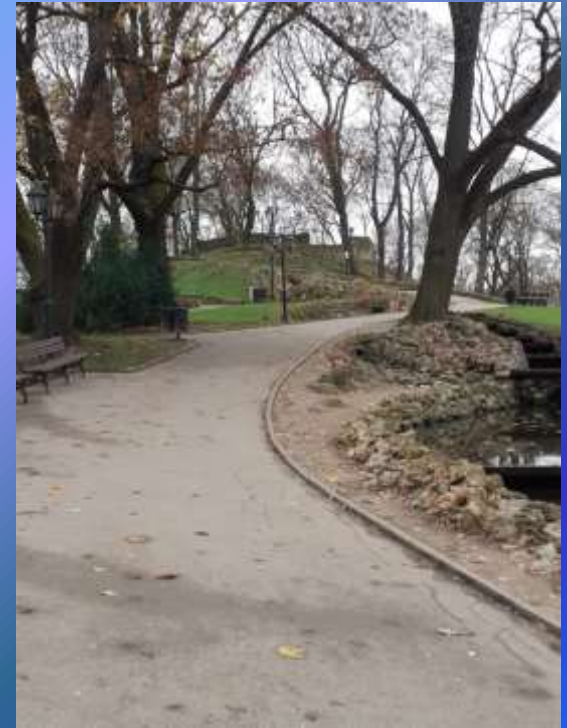

We visited the weapons museum, the statue of the Soldiers and some churches

During the other days, we visited the city, it was very cold but everything was fine.

This experience was very beautiful and interesting, I had a lot of fun and made new friends. I hope to make another one so beautiful soon
