

Hello I am Olga from  
Greece, Markopoulo

13 th May 2022  
my learning diary

# Friday 13 th of May Our erasmus choir 9.30-10.30

Our students of erasmus  
song their songs  
about climate  
change with their  
teacher Maria Mouseti.

13th May. We went to the old railway station 10.30-11.00

The locals invite us to an old railway of Markopoulo.

It was very impressive.

It helped the economic development of the area for transportation to and from the mines and in transportation of the agricultural products.

# 13th May We meet the mayor of Markopoulo 11.00-11.30

We meet the mayor of Markopoulo Mr. Allagianis

last day 11.30-12.00, 13 th May

We visited Windmill of Markopoulo. It was used 1870.

The old inhabitants of  
Markopoulo ground their grain.

We met there all erasmus  
students from previous year.

In 2000 restored the Windmill.

It was fantastic.

# WINDMILL

They used the power of wind to have grain. You can see how it was insight the windmill.
