## Which country are you from?

17 odpowiedzi

## What are your expectations of this workshop?

14 odpowiedzi

deepening my understanding of teaching different subjects through drama

To learn new ideas about using drama at school subjects, to have good time with our partners and to achieve the project plan for the meeting

To learn new drama techniques and built strong relationships.

To meet new people, places, cultures and gain new experiences about theatre.

i'd like to meet great people, work with teachers and students from partner countries, have fun, watch great performances, improve my English, visit beautiful places, do a lot of sightseeing

To get familiar with theatre techniques, to know new drama tools for teaching other subjects, to come in contact with a different educational system and make new friends from different countries

i expect to have fun and learn new things

Exploring Spanish culture

I expect that everything will be really nice and tha we are going to learn a lot of new stuff

Visiting new places, meeting new people, trying local food and drinks

I wish to create more life lasting bonds with people from around the world and hopefully come back a little more experienced for the journey that is ahead of me

I hope I will learn many things while having fun

None

Kopiuuj

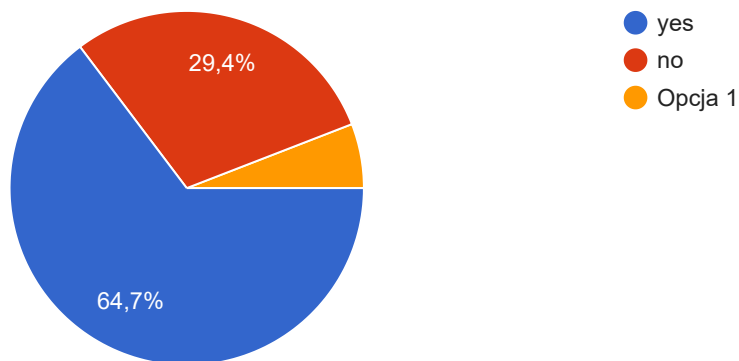

17 odpowiedzi

What kinds of experiences have you had in the area of communications? For example, have you given a public speech, developed relationships with local journalists, or created a blog?

17 odpowiedzi

relations to local journalists; school presentation

school presentations; relations to local journalists

I feel more relaxed while playing on stage

In junior high school we had a Radio-club, where we created our own broadcast. Then we uploaded it in a platform where students from all over Greece could listen to it. Does it count?

yes for all this things

I had created blog. I had performed (sing) in public

Given a public speech.

I participated in writing a teachers' blog online, I have given lectures and presentations in front of a school community

I've got some experience in the area of communication, mostly by giving a public speech and coordinating projects with different partners

I have big experiences

I have given a public speech.

Public speech

No

I give public speeches a lot and I love it !it's also a part of my duties as a class president

None

I don't have a lot of experience

I've given a lot of public speeches and developed relationships with foreign people.
