

KATIE'S ADVENTURE

Hey! My name's Katie. I like the mild purple colour. My favourite animal is obviously a unicorn. Why? Because it's the prettiest, cutest, most glittery and awesome animal in the world.

And I'm also 13, actually now I'm 14! I had a birthday party yesterday. I got a lot of presents. Mostly clothes and such. But the best present was from my parents. They gave me a TABLET! Let's try turning it on!

Me and my new tablet!!!

What's going on?

AAAAAAAAAAAA

What's happening? Where am I?

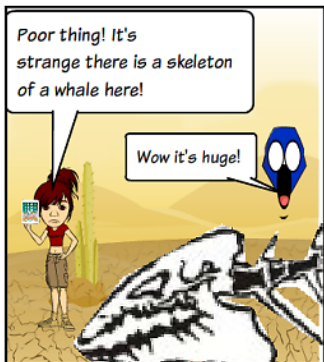

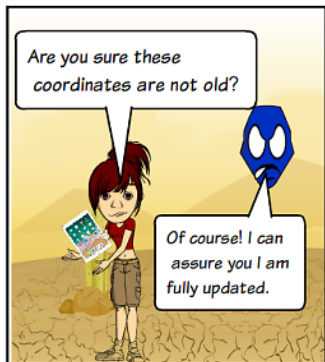

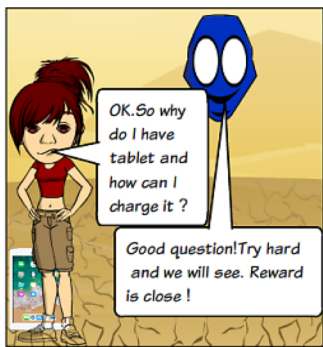

How did I get here?

What's this place?

Is it really a desert!?

Draws some water in a bucket and drinks .

On the bottom of the bucket, there is a piece of a **KEY**.

Hmm...could be useful...

Weird. The wind feels stronger!

Well well

I'm back!

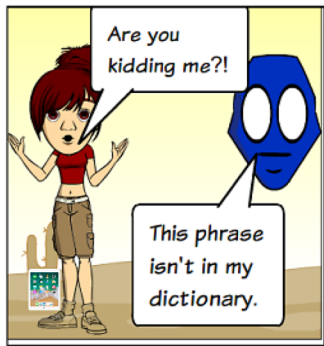

I bring news. A storm is coming! Go and build a shelter!

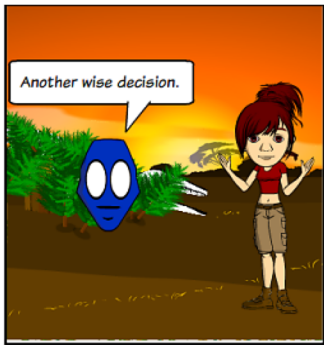

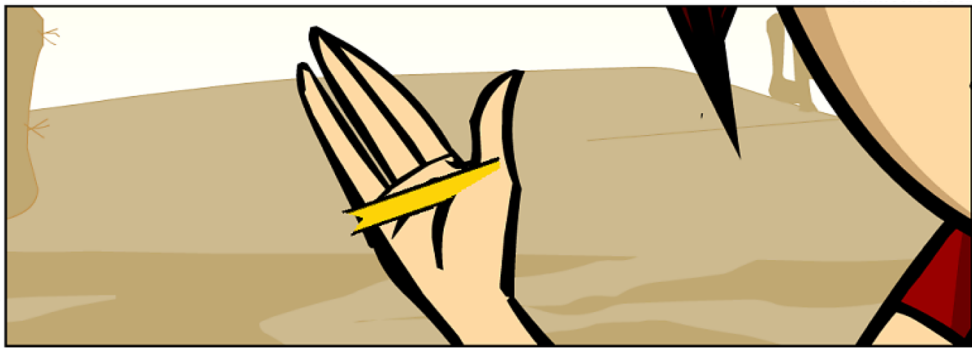

Are you kidding me?!

This phrase isn't in my dictionary.

But where?
