# eTwinning project ALL DAYS TOGETHER

This project aims to encourage students to celebrate different days together. During the project students will write cards for each day. Students will use web tools (Lino, Padlet, PosterMyWall, WordArt etc) for writing the cards.

At the beginning student will present their school, city and country. Student will make logo. At the end students will make small research about favourite day.

**Duration: september 2020. - october 2021.**

## AIMS

Learn to communicate with their colleagues by listening to each other and accepting different opinions and developing critical thinking, practicing public speaking, bringing students closer to students, encouraging students to research about history and the activity of residents of their area, present data collected, use web tools...

## WORK PROCESS

- In this project students will celebrate different days during the year together. Students will use web tools (Lino, Padlet, PosterMyWall, WordArt etc) for writing the cards.
- Days: Statistics Day, EU Skills Week, Happy Day, Internet Safety Days, Christmas, Easter, Valentine's Day, Europe Day, Global Money Week, European Money Week . . .
- At the beginning student will present their school, city and country. Student will make logo.
- At the end students will make small research about favourite day.

Pizza day

Gaming/Technology day

The day of friends

# CONCLUSION

The study involved 360 students from several different countries, namely Lithuania, Romania, Italy, Spain, Portugal, Bosnia and Herzegovina, Greece, Jordan, Serbia, Turkey, Ukraine and Croatia. 91% of students have their favorite day. Students' favorite days include birthday, Christmas and New Year. 240 or 67% of students stated that their favorite season is summer. Most students spend their favorite day with friends and family. Students consider Saturday to be their favorite day of the week. He receives and gives gifts to the majority of students on their favorite day. 65% of students do not celebrate their favorite day at school. Students congratulate their favorite day over the phone and social media. Most students rest on their favorite day.
