

WARDROBE

Juliette Quevedo

Barbara Santos

Nicol Ferranti

Lisa Luetti

INSTRUCTIONS

Materials:

- Cardboard;
- polystyrene sheets;
- hot glue;
- insulating tape;
- tempera.

Procedures:

- collect cardboard and make cubes open frontally;
- put together the cubes to form a wardrobe;
- use polystyrene to build the supporting walls of the structure;
- cover the edges of the whole wardrobe with insulating tape;
- decorate the exterior with tempera.
