Timetable, holidays

Our break in the morning lasts 15 minutes and in the afternoon 10 minutes.

Our summer holidays lasts 2 months

During the schoolyear, we have holidays every 7 or 8 weeks; they last 2 weeks.

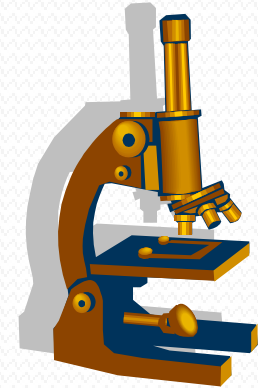

Erasmus+

Sciences in our school

In our school we study various scientific subjects :

- maths (this year we start to learn algorithmic),
- physics-chemistry
- biology and geology
- technology

Our school often takes part in maths contests (kangaroo contest, ...).

In France, we have to be good at maths to go to a good school, so maths are very important in our country.

Lunch at the canteen

- We have lunch between 12 and 1.15 pm.
- Our canteen is not very big.
- There is a big wall painting, which was made by students.
- We can take a starter, a main course, cheese or yoghurt, bread and dessert.
- Once a month, we have special meals (example : Russian, Chinese, Christmas).

SPORTS

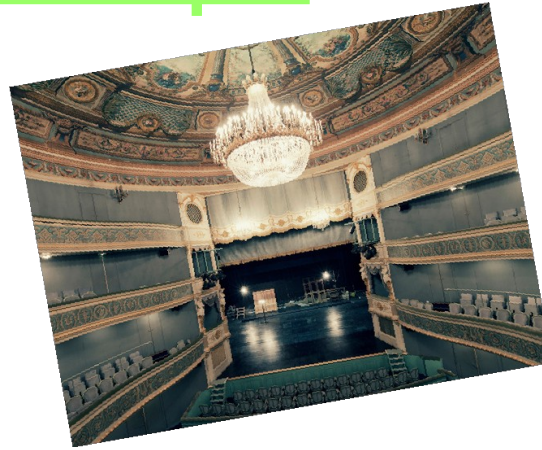

In PE classes, we will practice 5 sports this year:
handball, volleyball, table tennis,
high jump and orienteering race.

Some pupils can be part of the « AS » (sports association) on Wednesday afternoon; they can play volleyball, table tennis or dance!

Clubs, visits and trips

We have a lot of visits, for example :
Versailles palace, museums, Paris...

We also go to the cinema
and theatre to see movies,
shows, plays... linked to
our curriculum.

Clubs : chess; choir;
drama; English drama...

Sometimes, we go abroad:
England, Bulgaria...

Versailles

The palace is the most famous monument of our town.

The market place is very popular.

The town hall

Court scents.

See you soon !!

„Science 4 all”

Our school

Erasmus+

Welcome to D. Fernando II school, in Sintra, Portugal !

There are about 600 pupils in our school, aged between 10 and 16.

As you come into the school, you'll see the main entrance.

There are 30 classrooms.
Our class is usually in P6.

„Science 4 all”

Our school

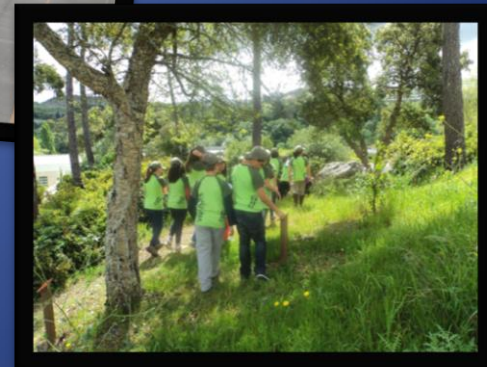

Erasmus+

The library is on the first floor and it is very big.

We have got a sports field and a garden with lots of trees.

„Science 4 all”

Our school

Erasmus+

The gym is in another building.

In the canteen we usually have lunch.

„Science 4 all”

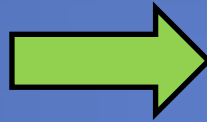

Our School Cluster

Erasmus+

Our school cluster has got two schools from year five to year nine :

EB 2,3 D.Fernando II

EBI Colares

„Science 4 all”

Our School Cluster

Erasmus+

And it also has got one upper secondary school:

Santa Maria

The school cluster has about 3.800 students.

Santa Maria is the main school of the cluster.

Famous portuguese explorers ...

During the 15th and 16th centuries, numerous territories and maritime routes were discovered by the Portuguese as a result of their intensive maritime exploration.

Some Famous Portuguese explorers were **Ferdinand Magellan** and **Vasco da Gama**.

Christopher Columbus is not from Portugal; This explorer and navigator was born in 1451 in the Republic of Genoa, Italy.
