

## Lesson Plan:

### What is civilization in prehistoric times ?

<b>Class: 6. 11 years</b>	<b>Grade: college</b>	<b>Time: 1 hour</b>
<b>Teacher: Thomas Galois</b>		<b>Date: 3 février 2017</b>
<b>Topic Area: history</b>		
<b>Lexical items: prehistoric, ancient history</b>		
<b>Structural items: activity with internet</b>		
<b>Aims:</b> By the end of this lesson students shall be able to: explain what is civilization in prehistory times. They can also create a small video to explain the lesson.		
<b>Aids:</b> lesson, books, library, devices for internet.		
<b>Procedure:</b>		<b>Time</b>
Warm up/ review:		
Step 1: Explain the aim of the video : the teacher gives 5 subjects for the leasson and pupils need to create a team for one subject. We have 6 teams in a classroom.		10 minutes
Step 2: Create a small video about one subject ( <a href="#">Lucy for example</a> ). They draw on a paper a sketch to explain their subject. Then, we do a video of two minutes in each team.		40 minutes
Step 3: <a href="#">Look at the video</a> on the website's teacher to do a summary. Each team need to understand to be better next time.		10 minutes

<b>Homework:</b> Read the book to prepare the leasson	
<b>Evaluation:</b> Do a summary of one item of a video done.	
<b>Summary:</b> Create teams, do a video and analyze it.
