it's more interesting because I learned things I did not know and visited places I had never visited (2)

Because it was very good meeting new countries

Because there were suitable topics for workshops.

After this event I find France more interesting because I learned more about its culture.

Because I have been in France before.

I find France more interesting because the streets and the homes are so beautiful .

its more interesting because i really like the places i visited so im more curios about French now

Когда видишь и посещаешь места, о которых слышал, воспринимаешь это все ярче и интереснее.

There were things I didn't know about France, but after the mobility I know a lot of new things and now I think France is more interesting than I thought before!

There was very interesting and informative

Because the people and the places are very nice and I really like to know France and meet many people

I met with France, I met new friends. Training was like a quest, that was very interesting

People in France are kind and friendly. I found out about different monuments. I think this country is good and developed.

I find France as pretty normal place to visit

I find more interesting because of its culture.

I know better kultur of country and people

Because France is interesting country and interesting culture

I think that Fracne is very intersting and in real is very intersesting too.

France is a very interesting country.

becouse France is amazing
