Healthyland

Children in early childhood can gain healthy eating habits that usually last for a lifetime.

"Healthyland" is a strategic partnership of Erasmus+ KA2 between schools from Poland, Turkey, Bulgaria, Romania, Italy and Greece.

Our teams have a common goal to play a pivotal role in the acquisition of healthy lifestyle by raising awareness of the stakeholders (students, parents, local community). We try encourage healthy eating and physical activity.

**Games and
activities
for boring
evenings**
