

# ***ALMOND BRITTLE RECIPE***

## **INGREDIENTS**

- 100 g golden caster sugar
- 4 tbsp water
- 100 g toasted almonds

## **METHOD**

- Put the sugar and water into a non-stick frying pan and heat gently. Continue to stir until the sugar dissolves. Then increase the heat and boil for 4-5mins. You're looking for a light golden brown colour.
- Add the almonds and stir once before tipping onto a greased baking sheet. Leave to cool and then snap into pieces to serve.

Be extra vigilant whilst making caramel, prepare all of the ingredients weighed and measured beforehand as this needs attention and quick handy work.

The sugar can be placed by the honey that is tastier but more expensive . These sweet treats make great foodie gifts, just wrap in cellophane and pretty ribbon.
