

Tale „Give me a bite“

The  walks in the garden. Sees an  on the ground. He picked it up. Took a bite and

started chewing. The  crawls in the grass. Sees the  with an apple. And asks: „Give

me a bite“. The  smiled. The  munched. Bit the , less left. The  and the 

sit there chewing. The  passes by. Sees the  and  have an apple. And asks:

„Give me a bite“. The  smiled. The  opened her mouth. Bit the , less left. The

, the  and the  sit there chewing. The  hops by. And asks: „Give me a

bite“. The  smiled. The  jumped closer. Bit the , less left.   are

crawling down the road. Sees , ,  and  eating the apple. Both 

 ask: „Give us a bite“. The  smiled.   crawled closer. Bit the , less left.

The  leaps by. Sees , ,  ,  and the two   eating the apple.

 asks: „Give me a bite“. The  smiled.  leaps closer. Bit the , less left. The

 flies over the garden. Sees the , , , , two   and the 

eating the apple.  asks: „Give me a bite“. The  smiled.  gets the last bite. Only the

core of an apple left. Who will throw it away to the bin? Everyone had a bite. What do you think? A?
