

ERASMUS PROJECT « ELECTRONIC CULTURAL PORTFOLIO of my REGION »

VIDEO about your region

Create a **video** about your region using an Android app such as « QUIK ¹» or « VIDEOSHOW »
This video will include :

- A map of your city/ region in your country so that partners know how to locate your school.
- Photos of typical cultural features of your region/ country such as : flag, monuments, typical food, typical craft, typical landscapes, any other important cultural features that you wish to add to describe your region.
- Text : to explain the photos and to give general information about your country and region (capital city, official languages, currency..)
- ERASMUS and ETWINNING logo in the end + PROJECT LOGO+ photo credits+ school name+ student(s) name.

Feel free to add any suitable comment that will allow partner to discover your region thanks to this short video presentation.
