By participating in Embracing Art, I have improved in visual arts and learned new techniques.

31 responses

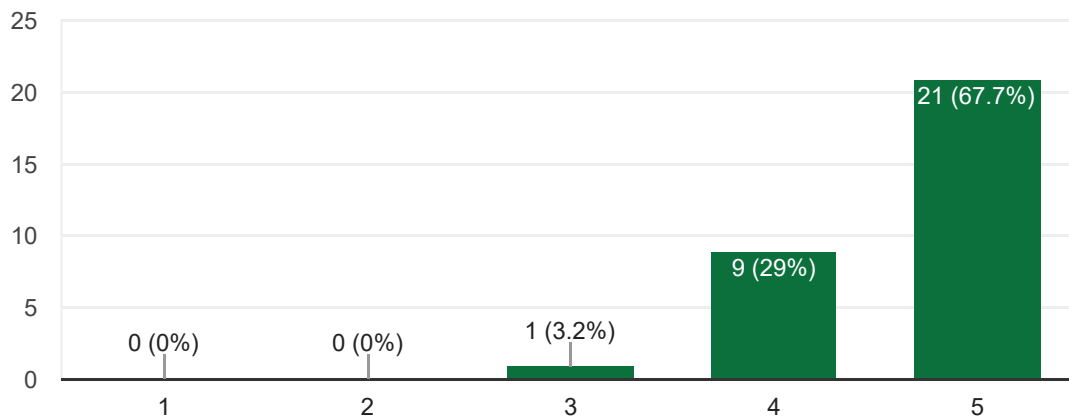

I learned a lot from other partners and I became more creative.

31 responses

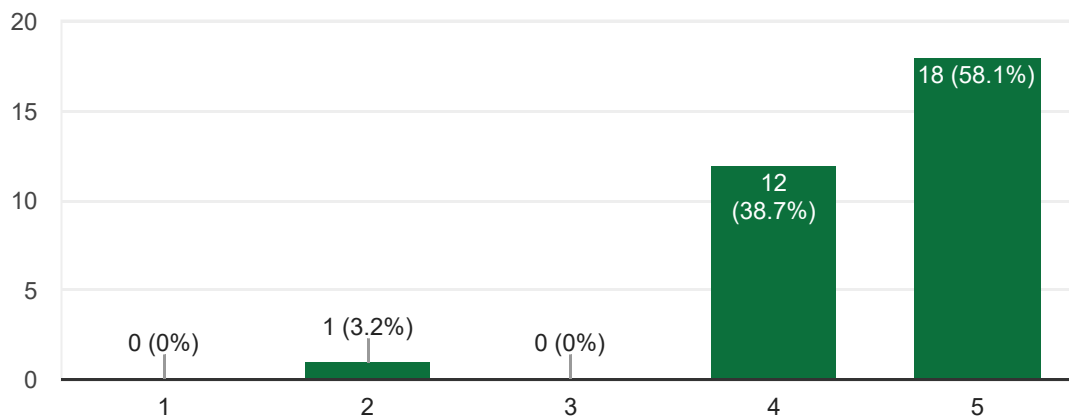

I became better at using the computer as tool for collaboration and cooperation.

31 responses

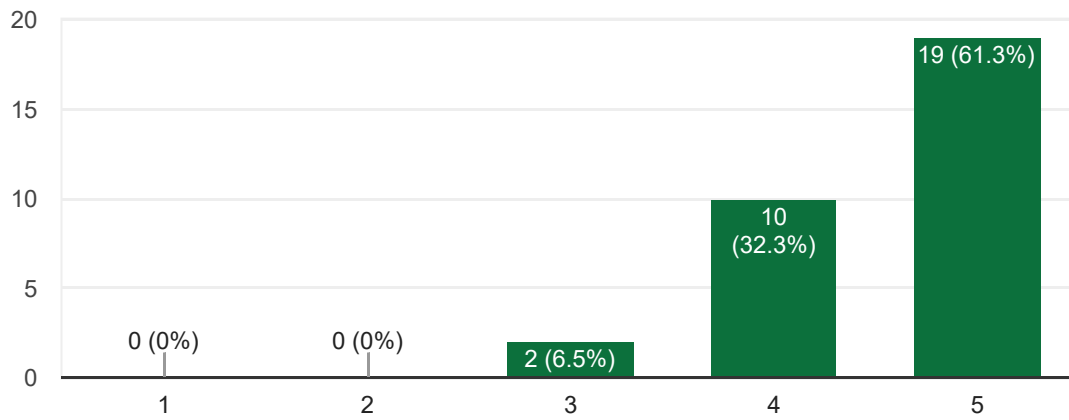

I met the works and biographies of painters from many countries.

31 responses

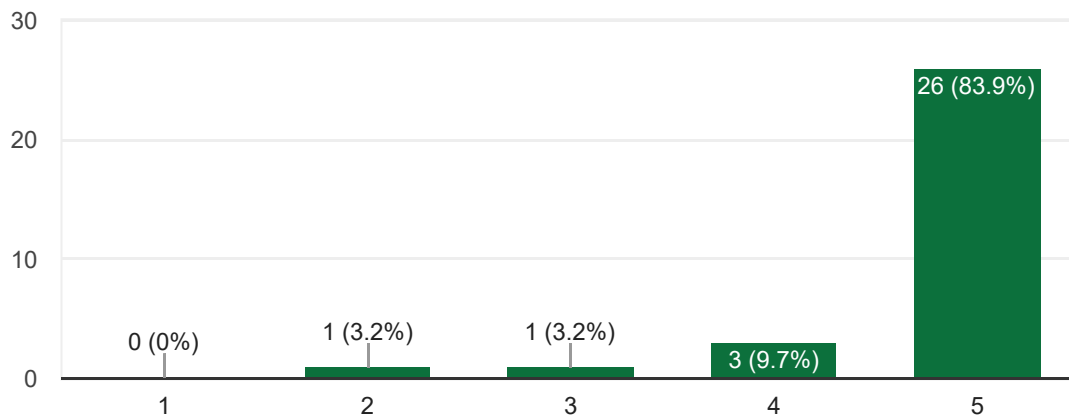

Embracing Art helped me understand what Cultural Heritage means.

31 responses

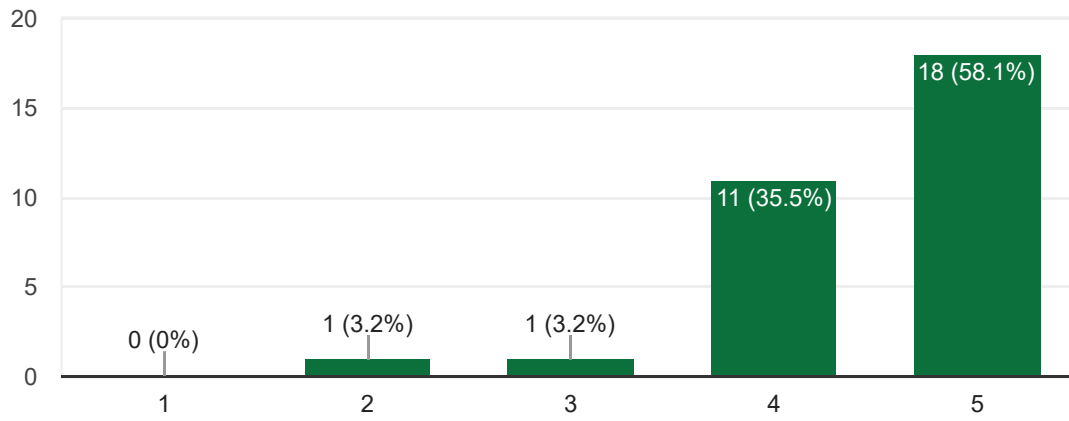

I learned to collaborate with people younger and/or older than me.

31 responses

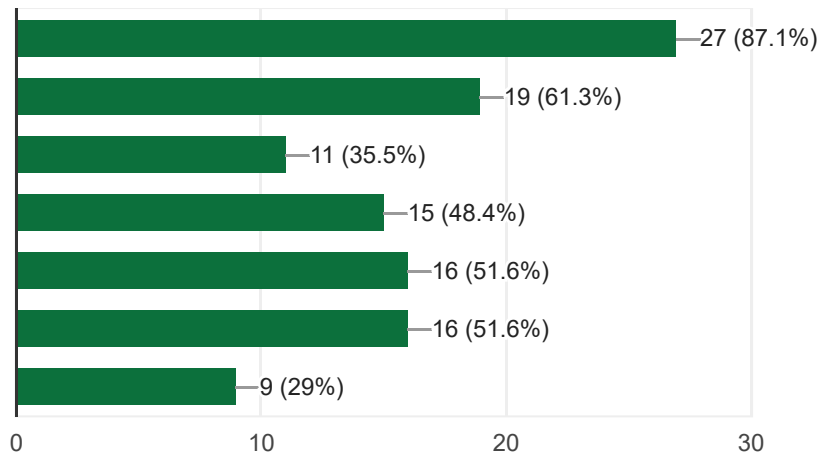

My participation in Embracing art has helped me feel more confident about myself and my skills.

31 responses

Activities of "Embracing art" I liked (you can choose more than one answer).

31 responses

If you did not like something in "Embracing Art", write about it in a short text.

6 responses

- I didn't like that the collaborative logo got lost
- I didn't like that there is piece missing in collaborative painting.
- The missing piece from collaborative painting.
- I didn't like that some partners didn't send their paintings.

I felt sorry when to collaborative logo got lost and that some didn't send their piece for collaborative paintings.

I didn't like that some partners didn't send their paintigs.
