

Croatia, Rijeka

Governor's palace

Governor's palace

Take from:

[Guvernorerova palača u Rijeci - Wikipedija \(wikipedia.org\)](https://hr.wikipedia.org/wiki/Guvernorerova_palača_u_Rijeci)

-Governor, count Ljudevit Batthyány determined to made a palace in 1892. - 1893.

-Palace is made in 1897.

Palace in 2001.

Around 1898.

The history of construction

- The works, which lasted until 1897, were supervised by Ferenc Jablonszky
- Until 3 May 1945, this palace witnessed the fateful events in the history of Rijeka
- In 1955 it became the property of the Maritime and History Museum, which still has its headquarters in it today

Take from:

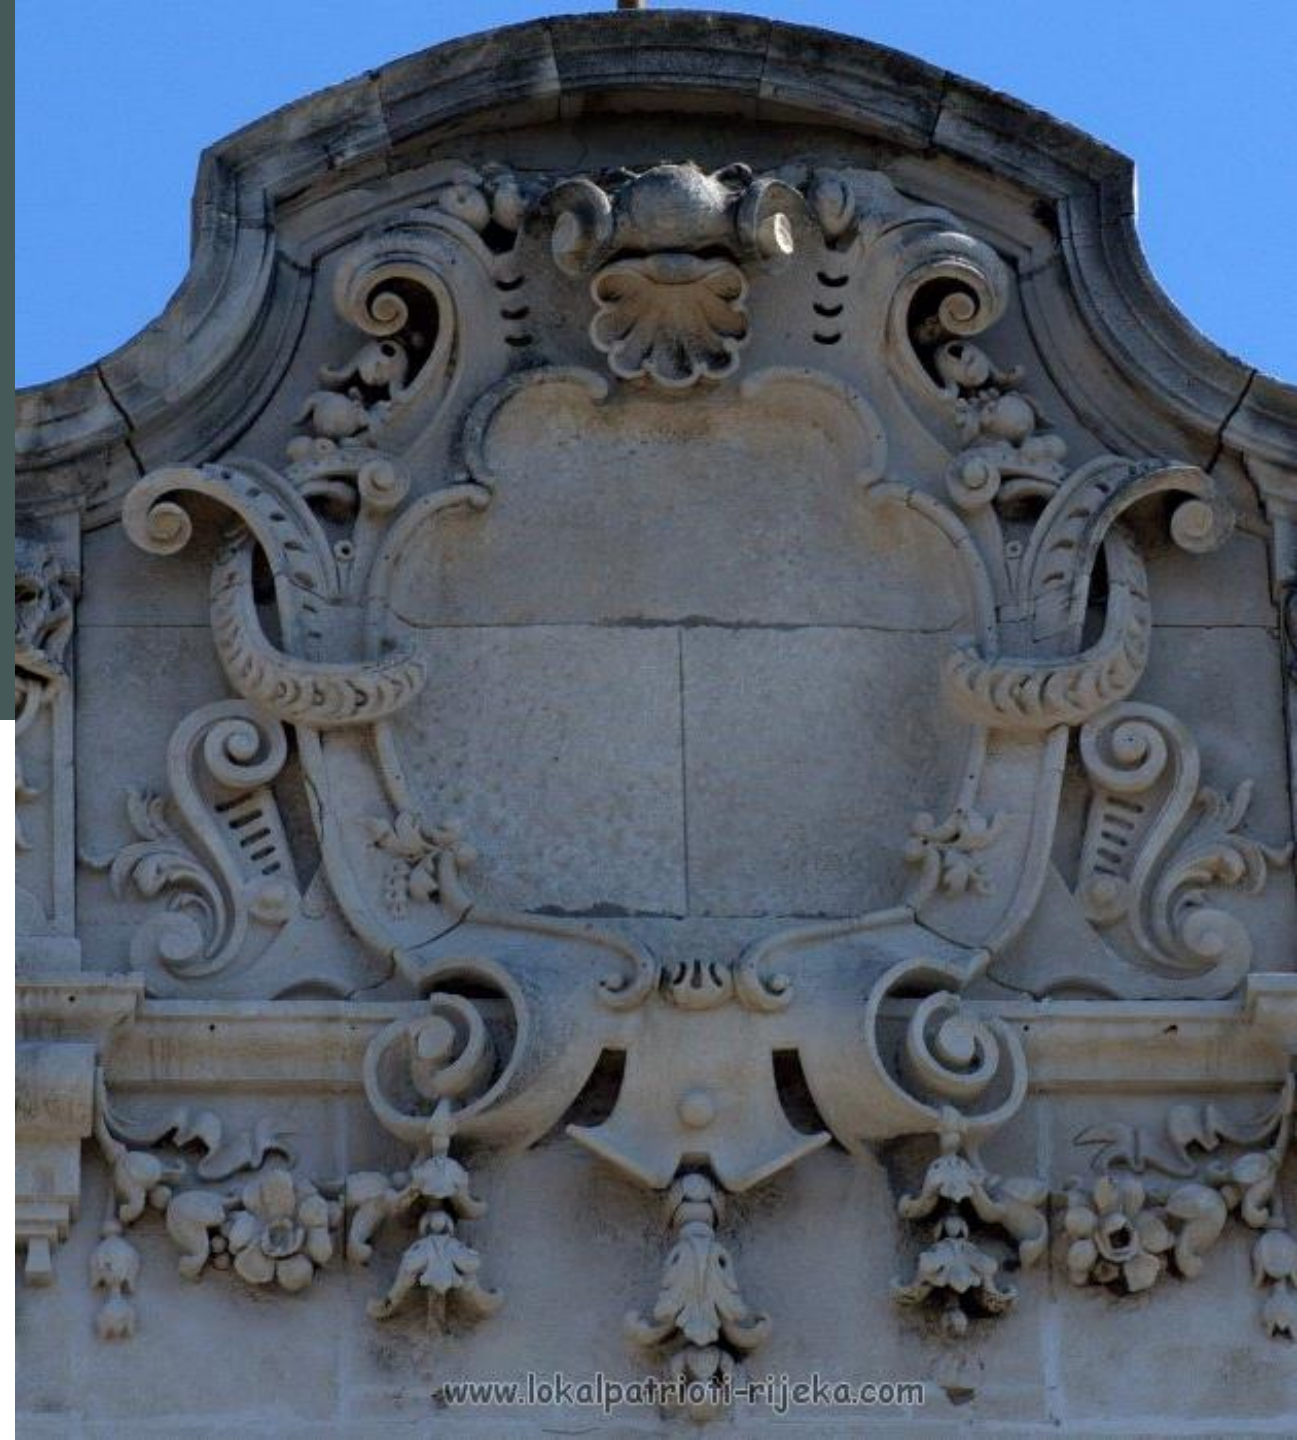

[Guvernerova palača u Rijeci - Wikipedija \(wikipedia.org\)](#)

Around 1897.

On top of palace

- This is on the top of the governor's palace
- It is very pretty and detail
- Pay attention to this when you visit the palace :)

THE END

Thank you for attention :)
