# Basic information

- Football is played outdoors on the grass or on artificial grass.
- Football is played on a rectangular board. The length must be 90-120 m, the width 45-90 m
- (for international matches 100-110 × 64-75 m).
- There must be 10 players + 1 goalkeeper in each team.
- It is played in football boots that have pins on the sole for better stability, the goalkeeper also has gloves to catch the ball better.
- The match is played 2x 45 minutes = 90 minutes.
- And the goal of the sport here is to score more goals than the opponent.

# Position of players

- **Goalkeepers** - tries to capture the opponent's shots and his task is to get as few goals as possible.
- **Defenders** - their task is not to let their opponents shoot at your target and their goal is to prevent as many goals as possible.
- **Midfielders** - have the most difficult task, they have to try to prevent goals, but try to give them or prepare them for forwarders.
- **Forwarders** - their task is to give the opponent as many goals as possible or to prepare them for other teammates.
