MY FAVORITE SPORTS

- My favourite sport is ice-hockey but I quit it years ago.
- now I only do recreational sports such as skating, cycling, mountain trips.

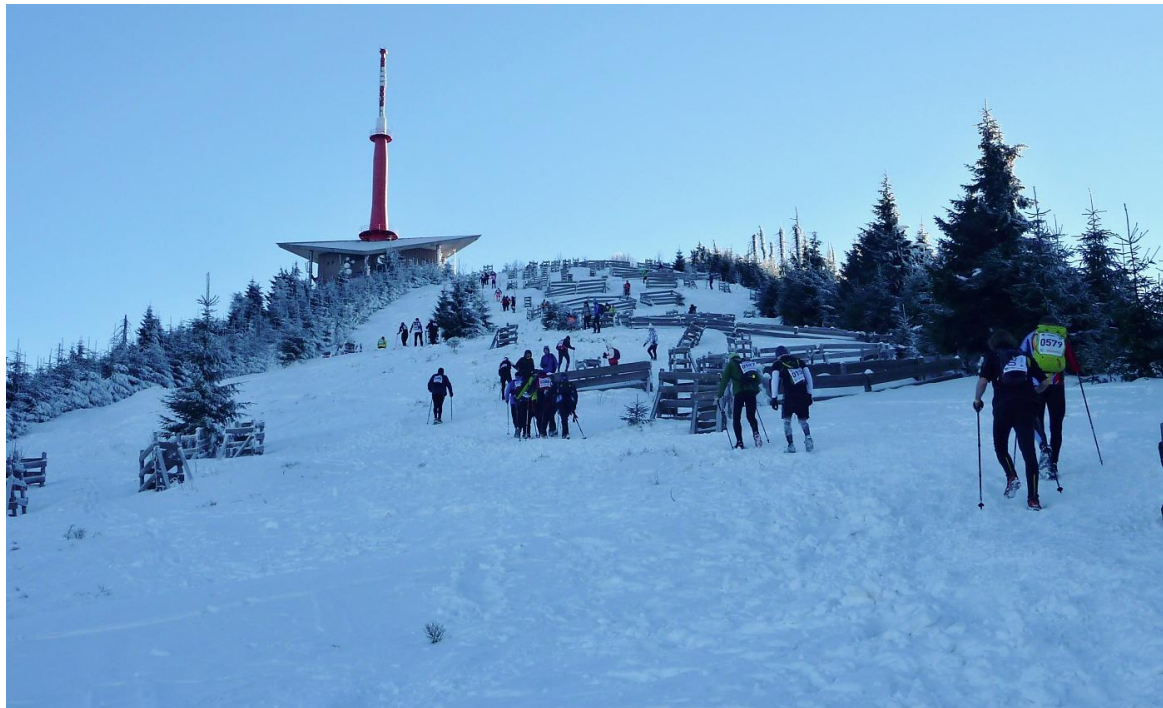

MY FAVORITE MOUNTAIN TRIPS

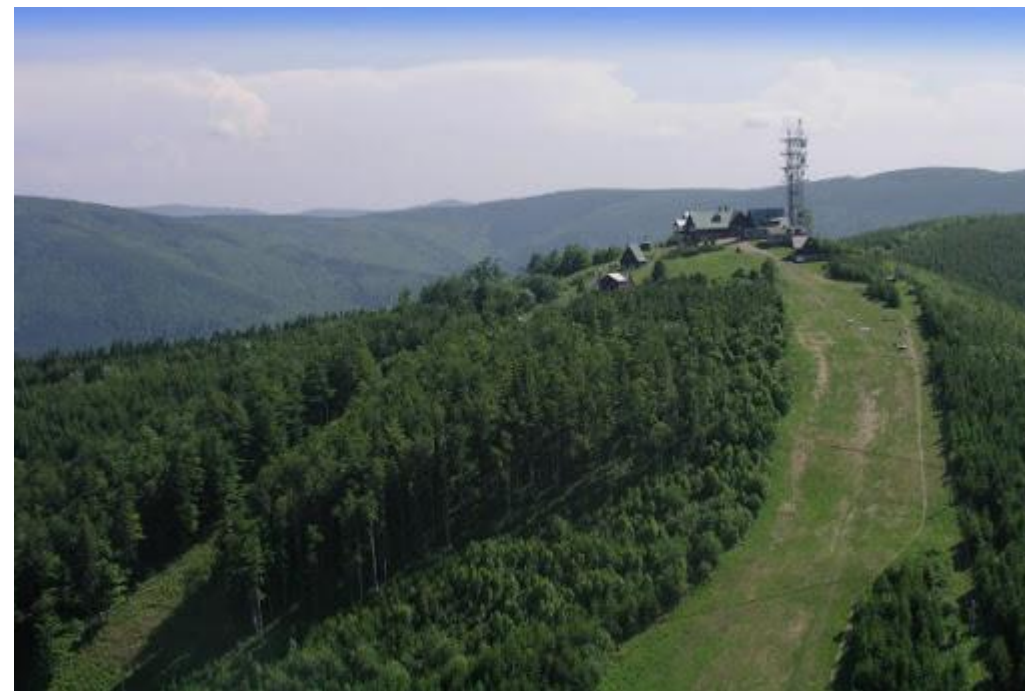

- I like all the mountains, but these are the best for me.
- I like Lysa Hora it is it is the highest mountain in our country in Beskydy (1323 m n. m.)
- I like Javorový vrch, there is a ski slope that leads to the mountain in summer and in winter the ski slope is open for skiers.
