

# LEONFORTE TRADITIONS

Although Leonforte is a small town in Sicily, it is rich of traditions.

One of these is  
"L'ARTARA DI SAN  
GIUSEPPE"

This saint is one of the most  
important saints of Leonforte.

During this event that coincides with March 19th, the people prepare tables full of traditional food, in particular the bread that is the fundamental element.

Another important tradition  
is the **PEACH FESTIVAL**

In this tradition, which coincides with the first weekend of October, the typical products of Leonforte are promoted and enhanced.
