C4 virtual mobility (29-31.03.2021)- Knowledge and sharing of local Italian cultural heritage, with particular attention on local feast of S. Joseph

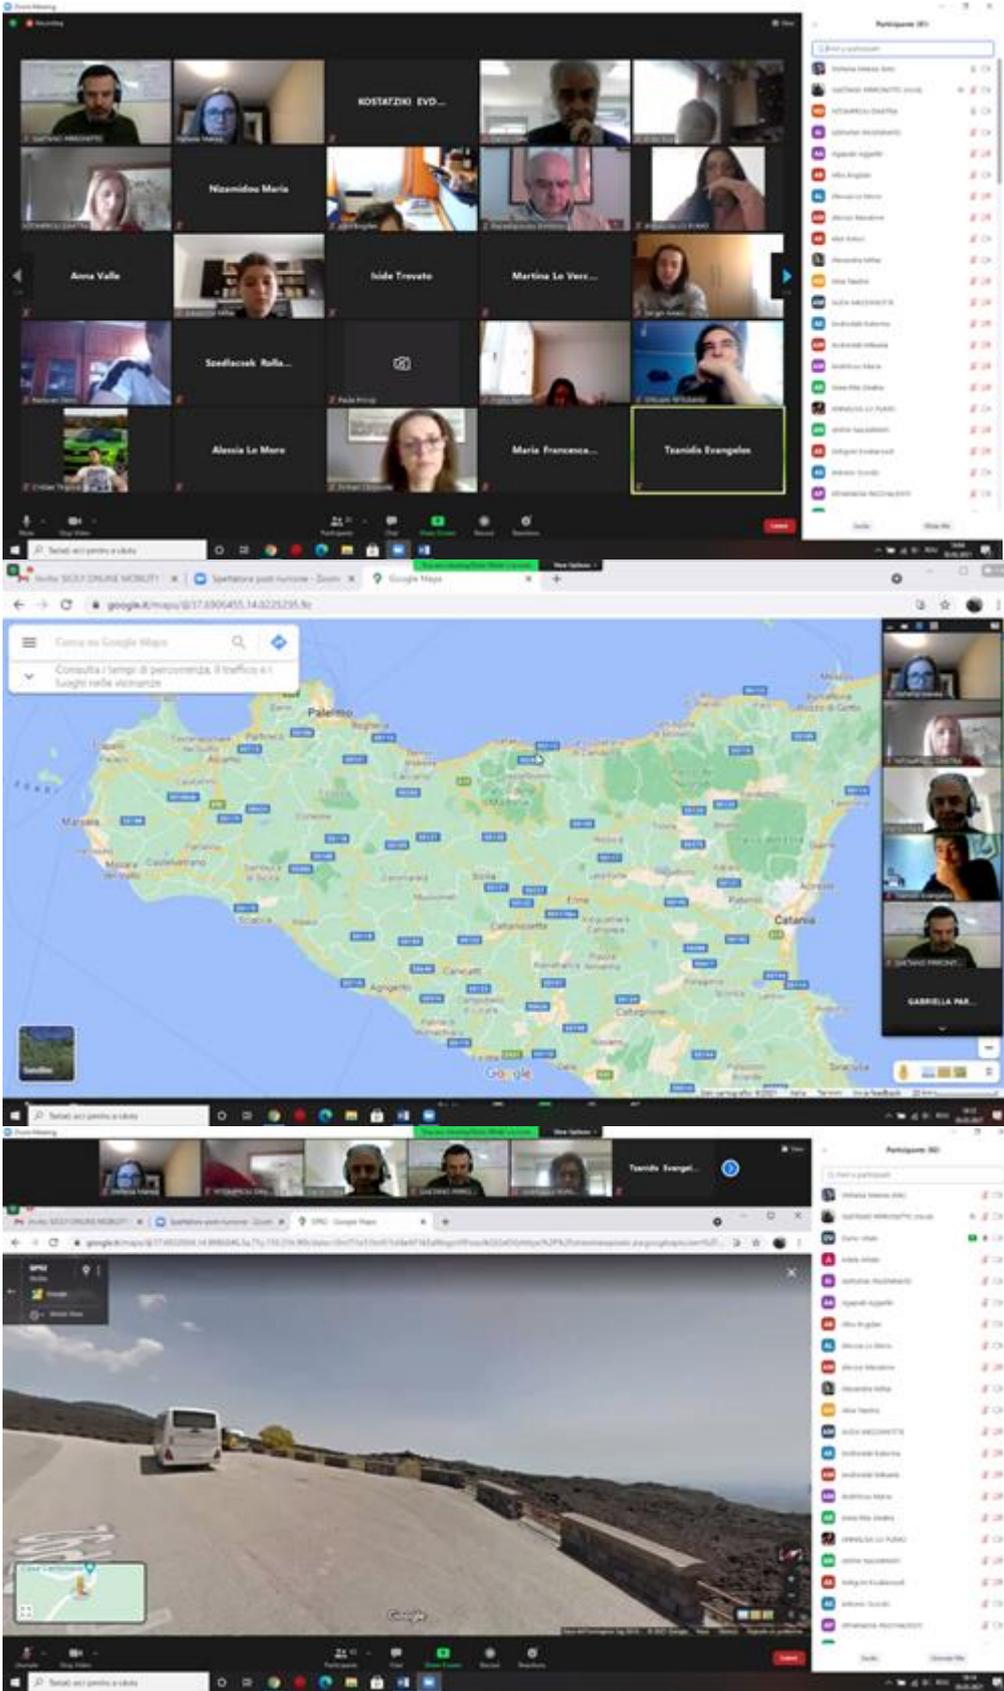

Between 29-31 March 2021, 13 students and 2 teachers from "Mihai Eminescu" National College, Petrosani, Romania, from the Strategic Partnership Project in the Field of School Education, Key Action 2, Erasmus + "Promotion of Identity, European Culture and Tradition" no. ref. 2018-1-IT02-KA229-047925_3, together with 2 teachers (prof. Ștefania Manea and eng. Rolland Szedlacsek) were officially invited to attend together with students and teachers from GENIKO LIKIO HORTIATI, Thessaloniki, GREECE, the activities organized by the teachers from ISTITUTO ISTRUZIONE SUPERIORE "E. MEDI", LEONFORTE, Italy, during C4 virtual mobility. The theme of this learning activity / exchange of good practices was: "Knowledge and sharing of local Italian cultural heritage, with particular attention on the local feast of St. Joseph".

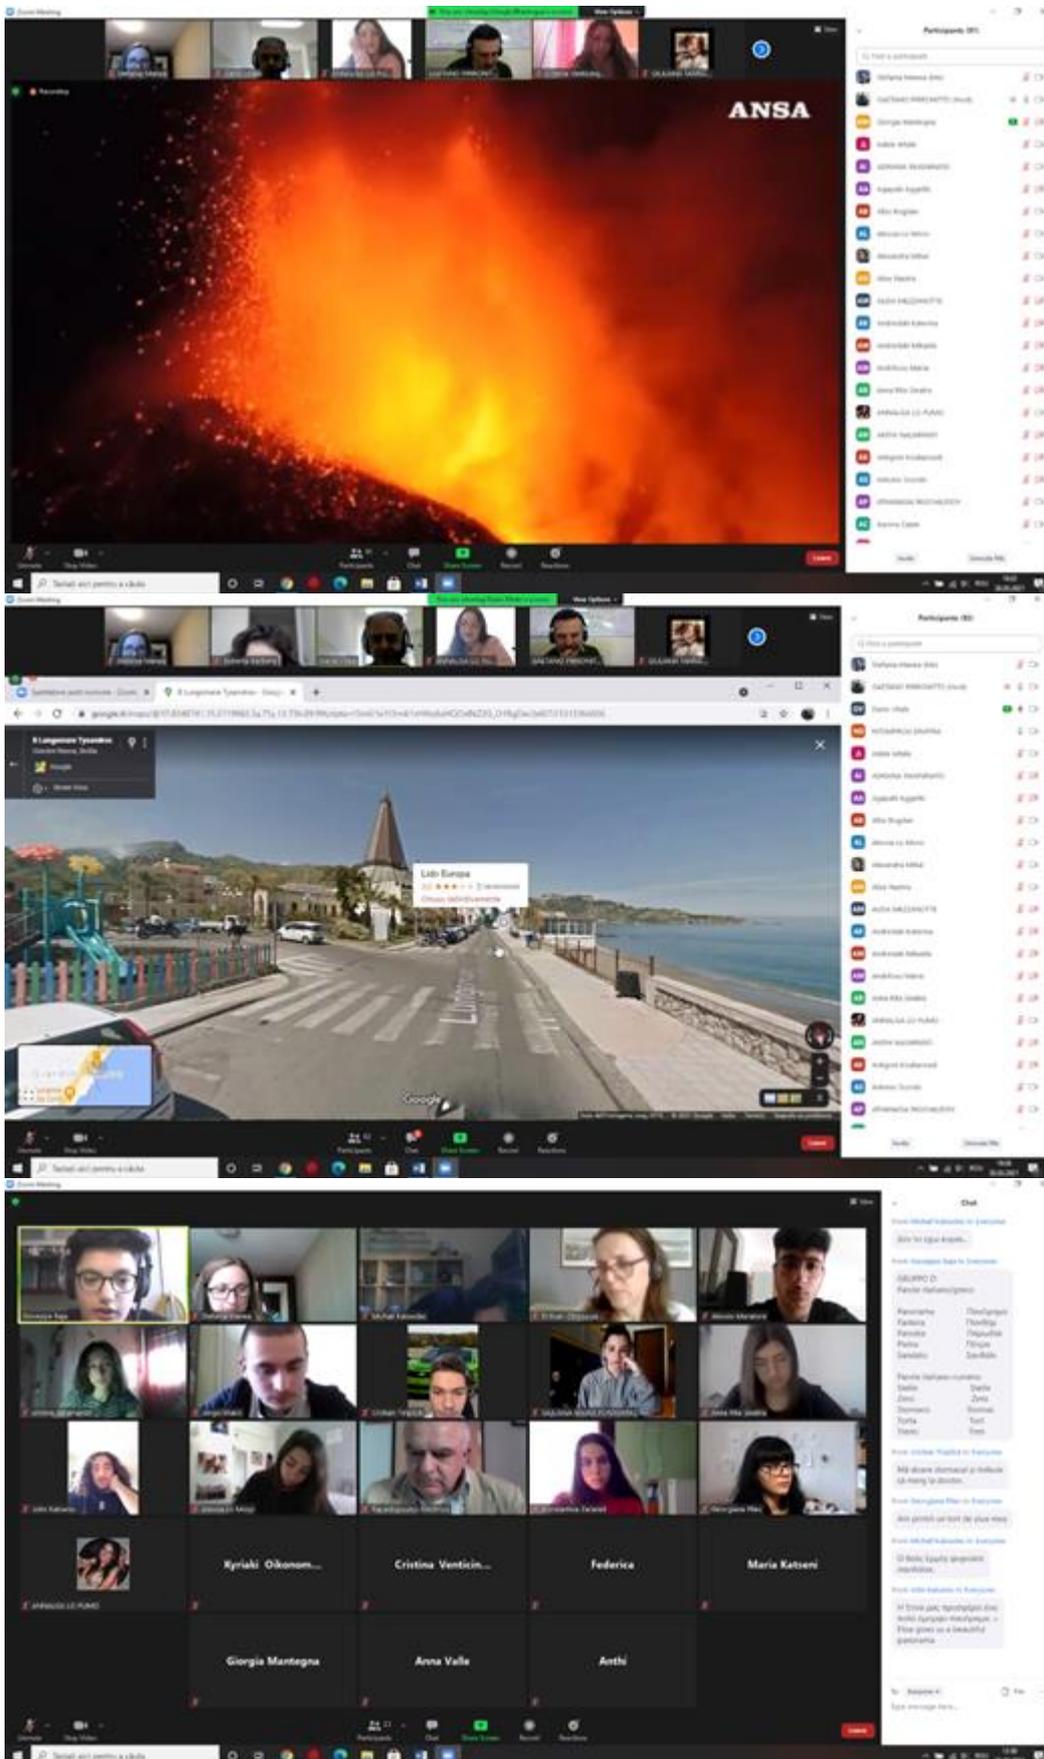

On the first day, after the opening ceremony, each school presented the activities carried out locally within the project, the activities carried out within the other mobilities (from Greece and Romania) were presented, and the students involved in the project spoke about the experience gained as a result of the participation in this Erasmus + project.

The activities continued the next day with a virtual trip to Mount Etna and the city of Taormina, with a virtual tour of the city of Leonforte and the Liardo Museum. The last activity was a group one, in which the students were divided into mixed groups, consisting of students from the three schools. On this occasion, the students identified common words used in the three languages.

On the last day, after a virtual trip to Piazza Armerina - Aidone, students learned important information about how the feast of St. Joseph is celebrated locally and how important it is for the local economy. At the end of the program, the students from Romania and Greece were taught by their classmates in Italy, in a group activity, specific Sicilian songs.

The image shows a Zoom meeting interface. The main content area is split into two parts. The top part displays a presentation slide with a background image of a mosaic and the text "Villa romana del Casale" in white. Below the main text, it says "Luoghi di Sicilia". The bottom part of the main area shows a video player for a YouTube video titled "Aidone (En)". The video player shows a landscape of a town built on a hillside. The Zoom interface includes a top bar with participant names, a right sidebar with a list of participants, and a bottom bar with meeting controls.

The activities aimed at acquiring knowledge about the local Italian cultural heritage and the celebration of St. Joseph, in order to identify similarities and differences with the heritage of other partners. These activities helped them understand the importance of conserving cultural resources in all aspects; develop communication and language skills; the ability to recognize and value European and local cultural resources and the self-confidence and self-esteem, recognition and appreciation of the cultural values that define the identity of each nation.

At the end of the activities, all the students and teachers received satisfaction surveys.

The activities were disseminated on the forum of the school inspectorate of Hunedoara county (<http://forum.isj.hd.edu.ro/viewtopic.php?f=198&t=24604&sid=2e8466e24b9793346861579c54204cbf>) and an article was published in a local newspaper (<http://www.avantulliber.ro/2021/04/06/activitati-online-in-cadrul-proiectului-erasmus-promotion-of-identity-european-culture-and-tradition-la-colegiul-national-mihai-eminescu-petrosani/>).
