2. Then click here

3. Choose the format of the page you want from here or add a full page of photo.

ADD PAGES

- Cover
- Summary
- Edito
- Article
- Briefs
- Full page visual

4. Choose the template you want and which better suits what you want to write, click on it and validate

6. We are all going to use ARIAL and 16, of course for the titles you can use a bigger one

5. Now you can change the text with yours. Select the text and copy and paste yours. It is the same with the photo

7. When your page is finished click on send. Don't worry your page disappears but it is saved and add to the whole magazine.
