This song talks about a married woman who, tired of the monotony of her life and daily work, has a day off / vacation:

”Every day is a bit of a task  
A load of work, we need to renew  
Batteries, there are plenty of reasons  
To celebrate today with a fado that is excited  
It's a day off! “

DAMA - ÀS VEZES

[HTTPS://WWW.YOUTUBE.COM/WATCH?V=86FURTDPYE0](https://www.youtube.com/watch?v=86FURTDPYE0)

The song “Às vezes”, from the Portuguese band DAMA was chosen because students like listening to it in complete silence, just with their earphones on.

The music is peaceful and gives us good vibes, even though it speaks of different points of view between a man and a woman. They seem to look at things with different perspectives.

Another reason students like the song is that, when they hear it, it makes them want to enjoy the present moment, pay attention to the details of the small things...

This is most of the students’ opinion, but if someone else listens to the same song, they may have a different opinion.

And that is the power of music!

**FERNANDO DANIEL – TAL COMO SOU**

**[HTTPS://WWW.YOUTUBE.COM/WATCH?V=ODCC5XSL\\_5W](https://www.youtube.com/watch?v=ODCC5XSL_5W)**

The music “Tal como sou”, that means “The way I am”, is about something important in a relationship: to love someone, you have to accept them the way they are, with the good things but also with the imperfections!

It speaks of someone who is in love, who wants to be with his beloved and share his world, even in complicated stages of her life.

You can see the veracity of the feelings and the certainty of what you want:

"If your world falls

I leave mine for you

I promise to listen to your fears “

The strong loving feeling is also perceived:

"And I will keep memories and secrets“

The song is about:

I lost the true meaning of my existence, I became deeply aware of my finitude and my impotence in the face of certain obstacles. The interpreter Boss AC hints at this feeling of anguish: which leads him to question the existence of something other than God, something sacred. Faced with the three fundamental questions “who are you?”, “Where are you?”, “What are you doing?”, The interpreter seeks the endless answer in his heart, but the only conclusion he draws is that in fact the more he learns, the more he knows he knows nothing, that is, he admits that he does not know but seeks to know.

ANA VILELA , TREM-BALA

[HTTPS://WWW.YOUTUBE.COM/WATCH?V=SWHY1VCVVGy](https://www.youtube.com/watch?v=SWHY1VCVVGy)

This song, Trem-Bala, is sung by Ana Vilela, a Brazilian singer. She has a very characteristic voice and sings very passionately.

This song is related to tolerance because it talks about life, how fast it goes by and why we should enjoy it.

The title refers to a high-speed train, relating the passage of life with the speed at which that train travels. Those moments that seem to happen every day, the people we see every day ... That we get angry for small reasons and because we want everything our way. We shouldn't live life like this because these people may no longer be with us tomorrow. We must value what really matters - family, friends - because life goes by so fast.

In the lyrics she says life:

NÃO É SOBRE CHEGAR NO TOPO DO MUNDO E SABER QUE VENCEU

“It's not about getting to the top of the world and knowing you've won

É SOBRE ESCALAR E SENTIR QUE O CAMINHO TE FORTALECEU

It's about climbing and feeling that the path has strengthened you”

Nobody's even lookin' me in my eyes  
Can you take my hand?

The lyrics of this song convey the idea that it is better to live a life in which we are not concerned with appearance. When we realize or at some point, the people we talk to, the things we do, the clothes we choose, the parties we go to... are really not our choice.

No! They are options we take to please and to be equal to others.

And that's not what we want after all ...

And then we stop giving importance to what others think, and start to really live how we feel like it.

2- Alessia Cara - Scars to your beautiful  
<https://www.youtube.com/watch?v=MWASeaYuHZo>

"Scars to Your Beautiful" is a song recorded by Canadian singer and songwriter Alessia Cara (album Know-It-All (2015)).

This song is about body image. It's directed at women, but men can relate to it as well. It's a song about these things that certain women go through on a daily basis in order to feel loved or in order to love themselves. The weird things that are instilled in us. That tell us that we're not good enough or that there's only one kind of beauty.

This song basically is contradicting that idea. It's saying, 'Well, if the world doesn't like how you look then they should change. They should change their perspective. You don't have to change yourself.'

'Scars To Your Beautiful' is basically about embracing yourself and finally coming to that conclusion where you feel love and you can love yourself.

The point of the song is to reach as many women, or people, as possible.

One of our favourite songs is Shallow, sung by Lady Gaga and Bradley Cooper in the movie. We think their voices go well together, and they sing it with lots of feelings!

Lady Gaga wrote the song for the movie, and Bradley Cooper, even though he isn't a singer, has a good voice as well. Maybe he was inspired by Lady Gaga!

We read that she had a difficult childhood...

For us, the music speaks about people trying to find happiness in their everyday life, and changing things that makes them sad.

We believe it's a good message for us, don't you think?

The videoclip *Symphony*, released by trio Clean Bandit, is their third single. It features a luxury collaborator, Zara Larsson.

Directed by the members of Clean Bandit, Grace Chatto and Jack Patterson, they present the music as a beautiful, but tragic love story between two boys, while the Swedish artist interprets the theme accompanied by a large orchestra conducted by one of the protagonists.

While we see images of their happy relationship, we also see that one of them dies in an accident and the sadness that remains in their partner. The same one who conducts a great orchestra that interprets the subject while Zara Larsson appears impressive with an elegant dress singing the song.

## ALL OF ME:

What would I do without your smart mouth  
Drawing me in and you kicking me out?  
Got my head spinning, no kidding  
I can't pin you down  
What's going on in that beautiful mind?  
I'm on your magical mystery ride  
And I'm so dizzy, don't know what hit me  
But I'll be alright  
(pre-chorus)  
My head's underwater  
But I'm breathing fine  
You're crazy and I'm out of my mind  
(chorus)  
Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me, I'll give my all to you  
You're my end and my beginning  
Even when I lose, I'm winning

How many times do I have to tell you  
Even when you're crying, you're beautiful too?  
The world is beating you down  
I'm around through every move  
You're my downfall, you're my muse  
My worst distraction, my rhythm and blues  
Can't stop singing, this ringing in my head for you

(pre-chorus)

My head's underwater  
But I'm breathing fine  
You're crazy and I'm out of my mind

(chorus)

Cause all of me loves all of you  
Love your curves and all your edges

Give your all to me, I'll give my all to you  
You're my end and my beginning  
Even when I lose, I'm winning  
Cause I give you all of me  
And you give me all, all of you

Cards on the table  
We're both showing hearts  
Risking it all though it's hard

(chorus)

Cause all of me loves all of you  
Love your curves and all your edges  
All your perfect imperfections  
Give your all to me  
I'll give my all to you  
You're my end and my beginning  
Even when I lose, I'm winning  
Cause I give you all of me  
You give me all, all of you, oh  
I give you all, all of me, yeah,  
And you give me all, all of you, oh

Love of my life - you've hurt me

You've broken my heart and now you leave me

Love of my life can't you see

Bring it back, bring it back

Don't take it away from me, because you don't  
know

What it means to me

Love of my life don't leave me

You've taken my love, (all of my love) and now  
desert me

Love of my life can't you see (Please bring it back)  
bring it back, bring it back (back)

Don't take it away from me (take it away from  
me)

Because you don't know (ooh ooh ooh know  
means to me)

What it means to me

You'll remember

When this is blown over

And everything's all by the way - (ooh yeah)

When I grow older

I will be there at your side to remind you

How I still love you - (i still love you)

Ooh, back - hurry back

Please bring it back home to me

Because you don't know what it means to me

Love of my life

Love of my life

Ooh, ooh

## IMAGINE:

Imagine there's no heaven

It's easy if you try

No hell below us

Above us only sky

Imagine all the people

Living for today...

Imagine there's no countries

It isn't hard to do

Nothing to kill or die for

And no religion too

Imagine all the people

Living life in peace...

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will be as one

Imagine no possessions

I wonder if you can

No need for greed or hunger

A brotherhood of man

Imagine all the people

Sharing all the world...

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will live as one

## MANDELA DAY:

It was 25 years they take that man away  
Now the freedom moves in closer every day  
Wipe the tears down from your saddened eyes  
They say Mandela's free so step outside  
Oh, oh, oh, oh Mandela day  
Ooh, ooh, ooh, ooh Mandela's free

It was 25 years ago this very day  
Held behind four walls all through night and day  
Still the children know the story of that man  
And we know what's going on right through your land

25 years ago  
Na, na, na-na Mandela day  
Oh, oh, oh Mandela's free

If the tears are flowing wipe them from your face  
I can feel his heartbeat moving deep inside  
It was 25 years they took that man away  
And now the world come down say Nelson Mandela's free

Oh, oh, oh, oh Mandela's free

The rising sun sets Mandela on his way  
It's been 25 years around this very day  
From the one outside to the ones inside we say  
Oh, oh, oh, oh Mandela's free  
Oh, oh, oh set Mandela free

Na, na, na, na Mandela day  
Na, na, na, na Mandela's free

It's 25 years ago  
What's going on?  
And we know what's going on  
'Cause we know what's going on

## CAN'T STOP THE FEELING

Ah, yeah, ah, yeah

I got this feelin' inside my bones

It goes electric, wavy when I turn it on

All through my city, all through my home

We're flyin' up, no ceilin', when we in our  
zone

I got that sunshine in my pocket

Got that good soul in my feet

I feel that hot blood in my body when it  
drops (ooh)

I can't take my eyes up off it, movin' so  
phenomenally

Feel a good, good creepin' up on you

So just dance, dance, dance, come on

All those things I shouldn't do

But you dance, dance, dance

And ain't nobody leavin' soon, so keep  
dancin'

I can't stop the feelin'

So just dance, dance, dance

I can't stop the feelin'

So just dance, dance, dance, come on

Ooh, it's something magical

It's in the air, it's in my blood, it's rushin' on  
(rushin' on)

I feel that hot blood in my body when  
it drops (ooh)

I can't take my eyes up off it, moving  
so phenomenally

Room on lock, the way we rock it, so  
don't stop (stop, stop, stop)

Under the lights when everything  
goes

Nowhere to hide when I'm gettin' you  
close

When we move, well, you already  
know

So just imagine, just imagine, just  
imagine

And ain't nobody leavin' soon, so keep  
dancin'

I can't stop the feelin'

So just dance, dance, dance

I can't stop the feelin'

So just dance, dance, dance

I can't stop the feelin'

So just dance, dance, dance

I can't stop the feelin' (yeah)

So keep dancin', come on

Oh, yeah, yeah

I can't stop the, I can't stop the

I can't stop the I can't stop the

Got this feeling in my body (I can't stop  
the feelin')

Got this feeling in my body (I can't stop  
the feelin')

Wanna see you move your body (I can't  
stop the feelin')

Got this feelin' in my body

Break it down

Got this feelin' in my body (ah)

Can't stop the feelin'

Got this feelin' in my body, come on (ooh)

## DON'T WORRY BE HAPPY

Here's a little song I wrote

You might want to sing it note for note

Don't worry, be happy

In every life we have some trouble

But when you worry you make it double

Don't worry, be happy

Don't worry, be happy now

don't worry

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) be

happy

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) don't

Ain't got no place to lay your head

Somebody came and took your bed

Don't worry, be happy

The landlord say your rent is late

He may have to litigate

Don't worry, be happy

Oh, ooh ooh ooh oo-oooh ooh oo-oooh don't worry, be happy

Here I give you my phone number, when you worry, call me, I  
make you happy, don't worry, be happy)

Don't worry, be happy

Ain't got no cash, ain't got no style

Ain't got no gal to make you smile

Don't worry, be happy

So don't worry, be happy

(chorus)

Now there, is this song I wrote

I hope you learned note for note

Like good little children, don't worry, be happy

Now listen to what I said, in your life expect  
some trouble

When you worry you make it double

But don't worry, be happy, be happy now  
don't worry

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) be happy

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) don't  
worry, be happy

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) don't  
worry, don't do it, be happy

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) put a  
smile in your face

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) don't  
bring everybody down like this

don't worry

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) it will  
soon pass, whatever it is

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) don't  
worry, be happy

(Ooh, ooh ooh ooh oo-oooh ooh oo-oooh) I'm not  
worried, I'm happy

## SOMETHING JUST LIKE THIS

I've been reading books of old  
The legends and the myths  
Achilles and his gold  
Hercules and his gifts  
Spiderman's control  
And Batman with his fists  
And clearly I don't see myself  
upon that list  
She said "Where'd you wanna go?  
How much you wanna risk?  
I'm not looking for somebody  
With some superhuman gifts  
Some superhero  
Some fairytale bliss

Do-do-do, do-do-do  
Do-do-do, do-do  
Do-do-do, do-do-do  
Oh I want something just like  
this  
Do-do-do, do-do-do  
Do-do-do, do-do  
Do-do-do, do-do-do"  
"Oh I want something just like  
this  
I want something just like this"  
I've been reading books of old  
The legends and the myths  
The testaments they told  
The moon and its eclipse  
And Superman arose

I'm not looking for somebody  
With some superhuman gifts  
Some superhero  
Some fairytale bliss  
Just something I can turn to  
Somebody I can miss"  
(chorus)  
"Where'd you wanna go?  
How much you wanna risk?  
I'm not looking for somebody  
With some superhuman gifts  
Some superhero  
Some fairytale bliss  
Just something I can turn to  
Somebody I can kiss

## BLACK OR WHITE

I took my baby on a Saturday bang

Boy is that girl with you?

Yes we're one and the same

Now I believe in miracles

And a miracle has happened tonight

But, if you're thinkin' about my baby

It don't matter if you're black or white

They print my message in the Saturday Sun

I had to tell them I ain't second to none

And I told about equality and it's true

Either you're wrong or you're right

But, if you're thinkin' about my baby

It don't matter if you're black or white

I am tired of this devil

I ain't scared of your brother

I ain't scared of no sheets

I ain't scared of nobody

Girl, when the going gets mean

Protection

For gangs, clubs, and nations

Causing grief in human relations

It's a turf war on a global scale

I'd rather hear both sides of the tale

See, it's not about races

Just places, faces

Where your blood comes from

Don't tell me you agree with me

When I saw you kicking dirt in my eye

But, if you're thinkin' about my baby

It don't matter if you're black or white

I said if you're thinkin' of being my baby

It don't matter if you're black or white

I said if you're thinkin' of being my brother

It don't matter if you're black or white

Ooh, ooh

Yea, yea, yea now

Ooh, ooh

Yea, yea, yea now

It's black, it's white

It's tough for you to get by (yeah, yeah,  
yeah)

It's black, it's white

## WHERE IS THE LOVE

People killin' people dyin'

Children hurtin', I hear them cryin'

Can you practice what you preachin'?

Would you turn the other cheek again?

Mama, mama, mama, tell us what the hell is  
goin' on

Can't we all just get along?

Father, father, father help us

Send some guidance from above

'Cause people got me, got me

Questioning

(Where's the love)

(Where's the love)

I think they all distracted by the  
drama and

Attracted to the trauma, mamma

(Where's the love)

I think they don't understand the  
concept or

The meaning of karma

(Where's the love)

Overseas, yeah they trying to stop  
terrorism

(Where's the love)

Over here on the streets the police

(Where's the love)

And to discriminate only generates hate

And when you hate then you're bound to  
get irate

Madness is what you demonstrate

And that's exactly how hate works and  
operates

Man, we gotta set it straight

Take control of your mind and just  
meditate

And let your soul just gravitate

To the love, so the whole world celebrate  
it

(Where's the love)

Ongoing suffering as the youth die young

(Where's the love)

Where's the love when a child gets murdered

Or a cop gets knocked down

Black lives not now

Everybody matter to me

All races, y'all don't like what I'm sayin'?

Haterade, tall cases

Everybody hate somebody

Guess we all racist

Black Eyed Peas do a song about love and

y'all hate this

Every time I look up, every time I look  
down

No one's on a common ground

(Where's the love)

And if you never speak truth then you  
never know how love sounds

(Where's the love)

And if you never know love then you  
never know God, wow

(Where's the love)

Where's the love y'all? I don't, I don't  
know

Where's the truth y'all? I don't know

(Where's the love)

Love is the solution

(Where's the love)

(Where's the love)

They don't want us to love

(Where's the love)

Love is powerful

(Where's the love)

(Where's the love)

My mama asked me why I never vote  
never vote

'Cause police men want me dead and  
gone (Dead and gone)

That election looking like a joke (Such

Said he can't breathe with his hands in the air

Layin' on the ground died from a choke

(Where's the love)

I feel the weight of the world on my shoulders

As I'm gettin' older y'all people gets colder

Most of us only care about money makin'

Selfishness got us followin' the wrong direction

Wrong information always shown by the media

Negative images is the main criteria

Infecting the young minds faster than bacteria

Kids wanna act like what they see in the cinemas

What happened to the love and the values of humanity?

(Where's the love)

What happened to the love and the fairness and equality?

(Where's the love)

### More Than You Know, sung by Axwell & Ingrosso

<https://www.youtube.com/watch?v=Gsf05B8TFWg>

I just need to get it off my chest  
Yeah, more than you know, Yeah, more than you know.  
You should know that baby you're the best  
Yeah, more than you know, Yeah, more than you know.  
I saw it coming, from miles away.  
I better speak up if I got something to say  
'Cause it ain't over, until she sings  
You had your reasons, you had a few  
But you knew that I would go anywhere for you  
'Cause it ain't over, until she sings.  
I just need to get it off my chest  
Yeah, more than you know, Yeah, more than you know.  
You should know that baby you're the best  
Yeah, more than you know, Yeah, more than you know  
I just....  
Your good intentions are sweet and pure  
But they can never tame a fire like yours,  
No it ain't over, until she sings.  
Right where you wanted, down on my knees.  
You got me begging, pretty baby set me free  
'Cause it ain't over, until she sings.  
Come a little closer, let me taste your smile  
Until the morning lights  
Ain't no going back the way you look tonight  
I see it in your eyes  
I just need to get it off my chest

Yeah, more than you know Yeah, more than you know  
You should know that baby you're the best  
Yeah, more than you know Yeah, more than you know.  
Yeah, more than you know yeah, more than you know.  
Yeah, more than you know yeah, more than you know.  
Yeah, more than you know yeah, more than you know.  
Yeah, more than you know yeah, more than you know.  
Yeah, more than you know yeah, more than you know.  
Yeah, more than you know yeah, more than you know.  
I just  
I just need to get it off my chest.  
Yeah, more than you know yeah, more than you know.  
You should know that baby you're the best.  
Yeah, more than you know yeah, more than you know.

### **The interpretation of the song.**

``More than you know`` is a song by Axwell and Ingrosso that refers to the felling of happiness.

In this song the singers associate the felling of happiness with making others feel good and appreciated. So, the artist confesses to a person and tells her what he thinks about her.

Also, the singer feels relieved when he tells her everything, he thinks about her and what a good person she is. As a result of the confession, both are very happy and they sing. The song is a motivational one as it invites people to have a friendly chat and speak their minds.

## Happy by Pharrell Williams

<https://www.youtube.com/watch?v=y6Sxv-sUYtM>

It might seem crazy what I'm 'bout to say  
Sunshine she's here, you can take a break  
I'm a hot air balloon that could go to space  
With the air, like I don't care baby by the way

Huh, because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you  
Because I'm happy  
Clap along if you feel like that's what you wanna do

Here come bad news, talking this and that  
(Yeah) Well, give me all you got, and don't hold it  
back  
(Yeah) Well, I should probably warn you I'll be just  
fine  
(Yeah) No offense to you, don't waste your time  
Here's why

Because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you  
Because I'm happy  
Clap along if you feel like that's what you wanna do

Hey, come on, uh  
Bring me down, can't nuthin' (happy)  
Bring me down  
My level is too high to bring me down (happy)  
Can't nuthin', bring me down (happy)

Bring me down, can't nuthin', bring me down (happy,

Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you, eh eh eh  
Because I'm happy  
Clap along if you feel like that's what you wanna do

Because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you, eh hey  
Because I'm happy  
Clap along if you feel like that's what you wanna do, heh come on.

## Songs in English that comfort you if you feel blue

Only you, sung by Mishelle featuring Randi  
<https://www.youtube.com/watch?v=JiweCOYO0vA>

[Mishelle]

What's that feeling that I get?  
My heart is drowning in regret  
Hands are shaking, eyes are full of shame  
Lost myself, but I don't care,  
I'm going but I don't know where  
My feet are taking me away from you

[Chorus]

Only you, only you,  
My beautiful dream, I loved you  
Only you, only you  
You gave me your heart (x2)

[Randi]

I have no reason now to stay,  
But I will think of you and pray  
That you will find someone to love again  
I'm leaving and I won't come back  
You'll find your way, you'll be alright,  
But promise me you won't forget my name

[Mishelle]

Only you, only you,  
My beautiful dream, I loved you  
Only you, only you  
You gave me your heart.

[Randi]

Only you, only you,  
My beautiful dream, I loved you  
Only you, only you  
You gave me your heart.

[Chorus]

Only you, only you,  
My beautiful dream, I loved you  
Only you, only you  
You gave me your heart (x4)

### The interpretation of the song

In this song entitled “Only you”, we have the aftermath of a love story gone bad with the two lovers who are slowly falling apart.

First, we hear a sad woman singing about her regrets over the love she lost. She struggles to understand what she’s feeling and her heart is full of regrets. She has trouble coping with her loss: her hands are shaking, she’s feeling ashamed and she doesn’t know what her life would be like from now on, away from him.

A few seconds later, the chorus tells us that this story was as beautiful as a dream and they loved each other.

After the chorus, we hear him sing about how he is still thinking of her and praying for her to be loved again. However, he states he won’t be coming back to her, but would like her to keep him in her mind.

In the end, the chorus repeats the same verse, but this time the two ex-lovers sing it together as a sign that they both moved on after the sad story ended.

## November Rain- Guns N' Roses - November Rain

<https://www.youtube.com/watch?v=8SbUC-UaAxE>

When I look into your eyes  
I can see a love restrained  
But darlin' when I hold you  
Don't you know I feel the same  
Nothin' lasts forever  
And we both know hearts can change  
And it's hard to hold a candle  
In the cold November rain  
We've been through this such a long long time  
Just tryin' to kill the pain, oo yeah  
But love is always coming and love is always going  
And no one's really sure who's lettin' go today  
Walking away  
If we could take the time  
To lay it on the line  
I could rest my head  
Just knowin' that you were mine  
All mine  
So if you want to love me  
Then darlin' don't refrain  
Or I'll just end up walkin'  
In the cold November rain  
Do you need some time on your own  
Do you need some time all alone  
Everybody needs some time  
On their own  
Don't you know you need some time all alone

I know it's hard to keep an open heart  
But if you could heal a broken heart  
Wouldn't time be out to charm you  
Sometimes I need some time  
On my own  
Sometimes I need some time all alone  
Everybody needs some time  
On their own  
Don't you know you need some time all  
alone  
And when your fears subside  
And shadows still remain, oh yeah  
I know that you can love me  
When there's no one left to blame

So never mind the darkness  
We still can find a way  
'Cause nothin' lasts forever  
Even cold November rain  
Don't ya think that you need somebody  
Don't ya think that you need someone  
Everybody needs somebody  
You're not the only one  
You're not the only one

### **The interpretation of the song**

“November rain” is the typical love song, involving all sorts of feelings: hope, sadness, joy, regret.

We can understand right from the beginning that there’s a love story arrived at a turning point. There are always obstacles in a relationship, but the singer thinks that they should take their love into account and not be afraid of what the future holds for them.

He reminds his lover that they have a history together and he explains her that one has to fight for love so that it should last.

Everyone needs some time alone to clear their head or to get back on their feet before resuming a relationship. Love is compared to a candle’s light that might not resist in the rain.

The song ends in an optimistic way, with an invitation to try getting involved in a love story, even if there’s only a chance to be happy.

## Songs in English that make you think about tolerance

### Black or white by Michael Jackson

<https://www.youtube.com/watch?v=F2AitTPI5U0>

I took my baby on a Saturday bang  
Boy is that girl with you?  
Yes, we're one and the same  
Now I believe in miracles  
And a miracle has happened tonight  
But, if you're thinkin' about my baby  
It don't matter if you're black or white  
They print my message in the Saturday Sun  
I had to tell them I ain't second to none  
And I told about equality and it's true  
Either you're wrong or you're right  
But, if you're thinkin' about my baby  
It don't matter if you're black or white  
I am tired of this devil  
I am tired of this stuff  
I am tired of this business  
Sew when the going gets rough  
I ain't scared of your brother  
I ain't scared of no sheets  
I ain't scared of nobody  
Girl, when the going gets mean  
Protection  
For gangs, clubs, and nations  
Causing grief in human relations

It's a turf war on a global scale  
I'd rather hear both sides of the tale  
See, it's not about races  
Just places, faces  
Where your blood comes from  
Is were your space is  
I've seen the bright get duller  
I'm not going to spend my life being a color  
Don't tell me you agree with me  
When I saw you kicking dirt in my eye  
But, if you're thinkin' about my baby  
It don't matter if you're black or white  
I said if you're thinkin' of being my baby  
It don't matter if you're black or white  
I said if you're thinkin' of being my brother  
It don't matter if you're black or white  
Ooh, ooh  
Yea, yea, yea now  
Ooh, ooh  
Yea, yea, yea now  
It's black, it's white  
It's tough for you to get by (yeah, yeah, yeah)  
It's black, it's white  
It's black, it's white  
It's tough for you to get by (yeah, yeah, yeah)  
It's black, it's white

### The interpretation of the song

As the title suggests, it's a song about tolerance. Judging people by the colour of the skin doesn't mean equality. Everybody talks about fighting against discrimination, about having the same rights, but in the end, what we see is someone's colour.

It's not about being right or wrong, it's about what should be the most important: taking into consideration what we can see with our hearts, what makes us human. We are all the same: we all do bad things, we all are afraid of the unknown, we all want to be happy.

The singer is tired of fighting discrimination and he advises everybody to stop hurting each other, to be kind and to see the beauty of the world.

The colour of the skin doesn't matter, he considers everyone his brother and he hopes the others would do the same.

## **They don't really care about us, by Michael Jackson**

[https://www.youtube.com/watch?v=QNJL6nfu\\_Q](https://www.youtube.com/watch?v=QNJL6nfu_Q)

Skin head, dead head  
Everybody gone bad  
Situation, aggravation  
Everybody allegation  
In the suite, on the news  
Everybody dog food  
Bang bang, shot dead  
Everybody's gone mad.

All I want to say is that  
They don't really care about us  
All I want to say is that  
They don't really care about us.

Beat me, hate me  
You can never break me  
Will me, thrill me  
You can never kill me  
Sue me, Sue me  
Everybody do me  
Kick me, kick me  
Don't you black or white me

All I want to say is that  
They don't really care about us  
All I want to say is that  
They don't really care about us.

Tell me what has become of my life  
I have a wife and two children who love me  
I am the victim of police brutality, now  
I'm tired of bein' the victim of hate  
You're rapin' me of my pride oh, for God's sake.

### **The interpretation of the song**

The message in this song tells the reality about people, they are incapable of thinking about others because they are too busy with their own lives.

Michael Jackson is singing about the Afro- American people's live in the USA and he talks about situations where police forces used brutality against black people, asking God to set them free.

Then he reminds us about two great men from the American history. He thinks Roosevelt and Martin Luther King wouldn't allow black people to suffer after the proclamation that promised them freedom and liberty.

People are different and everyone is beautiful in their own way, but sometimes we are judged on our appearance. We have to accept the fact that no one is perfect, but we have to be kind to others because the only thing that really matters is our personality.

We got used to judging others without really knowing them or their situation and the song is an attempt to combat racial inequality through nonviolent resistance.

## Songs in English that make you think about love

### Perfect by Ed Sheeran

<https://www.youtube.com/watch?v=2Vv-BfVog4g>

I found a love for me  
Darling just dive right in  
And follow my lead  
Well I found a girl beautiful and sweet  
I never knew you were the someone waiting for me  
'Cause we were just kids when we fell in love  
  
Not knowing what it was  
I will not give you up this time  
But darling, just kiss me slow, your heart is all I own  
And in your eyes you're holding mine  
  
Baby, I'm dancing in the dark with you between my arms  
Barefoot on the grass, listening to our favorite song  
When you said you looked a mess, I whispered underneath my breath  
But you heard it, darling, you look perfect tonight  
  
Well I found a woman, stronger than anyone I know  
She shares my dreams, I hope that someday I'll share her home  
I found a love, to carry more than just my secrets  
To carry love, to carry children of our own  
We are still kids, but we're so in love  
Fighting against all odds  
I know we'll be alright this time  
Darling, just hold my hand  
Be my girl, I'll be your man  
I see my future in your eyes.

### The interpretation of the song

This song is the top choice for a song about love. The lyrics describe a romantic love. The stage in which the relationship is at the moment of the song is a stable one. "Perfect" is a song that makes every person who listens to it feel safe and warm, quite like the feeling you get when drinking a hot chocolate on a beautiful winter's day. Overall, the core message of the song is that in the eyes of that one person all your little quirks will become endearing or we should say, perfect.

## Still Loving You by Scorpions

Time, it needs time  
To win back your love again  
I will be there  
I will be there  
Love, only love  
Can bring back your love someday  
I will be there  
I will be there  
  
Fight, babe, I'll fight  
To win back your love again  
I will be there  
I will be there  
Love  
Only love  
Can break down the wall someday  
I will be there  
I will be there  
  
If we'd go again  
All the way from the start  
I would try to change  
Things that killed our love  
Your pride has built a wall, so strong  
That I can't get through  
Is there really no chance  
To start once again  
I'm loving you

Try  
Baby try  
To trust in my love again  
I will be there  
I will be there  
  
Love, our love  
Just shouldn't be thrown away  
I will be there  
I will be there  
  
If we'd go again  
All the way from the start  
I would try to change  
Things that killed our love  
Your pride has built a wall, so strong  
That I can't get through  
Is there really no chance  
To start once again  
  
If we'd go again  
All the way from the start  
I would try to change  
Things that killed our love  
Yes, I've hurt your pride, and I know  
What you've been through  
You should give me a chance  
This can't be the end.

I'm still loving you  
I'm still loving you  
I'm still loving you  
I need your love  
I'm still loving you  
Still loving you baby  
  
I'm still loving you  
I need your love  
I'm still loving you  
I need your love  
I'm still loving you  
I need your love  
  
I need your love.

### The interpretation of the song

The second choice is about romantic love as well, but unlike “Perfect” where love was stable and safe, in “Still Loving You” the couple has broken up, the lyrics being written from the perspective of the person who caused a sad break-up, trying to win back the other and reassure her that they’ve learnt their lesson and they understand they’ve hurt the other but, if they get one more chance, things will be different, they will be better. It is also of note that the verb “love” is used in the continuous form even though that is grammatically incorrect, but for the singer, love is in progress. To symbolise that, despite the couple splitting up, the partner continues to be in love with her.

## Songs in English that make you think about peace

### Heal the world by Michael Jackson

<https://www.youtube.com/watch?v=BWf-eARnf6U>

There's a place in your heart  
And I know that it is love  
And this place could be much  
Brighter than tomorrow  
And if you really try  
You'll find there's no need to cry  
In this place you'll feel  
There's no hurt or sorrow  
There are ways to get there  
If you care enough for the living  
Make a little space  
Make a better place  
Heal the world  
Make it a better place  
For you and for me  
And the entire human race  
There are people dying  
If you care enough for the living  
Make it a better place  
For you and for me  
If you want to know why  
There's love that cannot lie

If we try we shall see  
In this bliss we cannot feel  
Fear of dread  
We stop existing and start living  
The it feels that always  
Love's enough for us growing  
So make a better world  
Make a better place  
Heal the world  
Make it a better place  
For you and for me  
And the entire human race  
There are people dying  
If you care enough for the living  
Make a better place for you and for me  
And the dream we were conceived in  
Will reveal a joyful face  
And the world we once believed in  
Will shine again in grace  
Then why do we keep strangling life  
Wound this earth, crucify its soul  
Though it's plain to see  
This world is heavenly  
Be god's glow  
We could fly so high  
Let our spirits never die

In my heart I feel you are all my brothers  
Create a world with no fear  
Together we cry happy tears  
See the nations turn their swords into plowshares  
We could really get there  
If you cared enough for the living  
Make a little space  
To make a better place  
Make it a better place  
For you and for me  
And the entire human race  
There are people dying  
If you care enough for the living  
Make a better place for you and for me  
Heal the world  
Make it a better place  
For you and for me  
And the entire human race.

There are people dying  
If you care enough for the living  
Make a better place for you and for me  
Heal the world  
Make it a better place  
For you and for me  
And the entire human race  
There are people dying  
If you care enough for the living  
Make a better place for you and for me  
There are people dying  
If you care enough for the living

### **The interpretation of the song**

The title of this lovely song is a personification as the world is seen as a human being that can be healed. The message of the song is a very simple and powerful one at the same time: we all have to contribute to make the world we live in a better place. We have to offer a helping hand whenever it is needed, to love and protect the environment for us and for the next generations. The key word that binds all these elements together is: peace.

## Imagine - John Lennon & The Plastic Ono Band

<https://www.youtube.com/watch?v=YkgkThdzX-8>

Imagine there's no heaven  
It's easy if you try  
No hell below us  
Above us only sky  
Imagine all the people  
Living for today (ah ah ah)  
Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion, too  
Imagine all the people  
Living life in peace  
You may say that I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one  
Imagine no possessions  
I wonder if you can

No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
Sharing all the world  
You may say that I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

### **The interpretation of the song**

“Imagine” is loved and praised as one of the most influential songs in the history of music. The plain lyrics may hide the powerful message behind it: to see what might happen if we don't cherish our world. He imagines an ideal world without boundaries, religions, possessions in which the people will live happily. The song is an invitation itself to meditate, to raise awareness of the facts that unite us and make us happy. He presents the problems that all the societies are confronted with and offers solutions: together we will find the best way of getting rid of any problem that may appear or may prevent us from being happy.

Woah-oh, woah-oh, oh

Ooh (all again, all again)

Ah ah, ah ah, ay

And when you're done I'll make you do it all again

They say **Dance for me, dance for me, dance for me, oh, oh, oh, oh, oh, oh**

I've never seen anybody do the things you do before

They say move for me, move for me, move for me, ay, ay, ay

And when you're done I'll make you do it all again

All again

## “Imagine”

Imagine there's no heaven  
It's easy if you try  
**No hell below us**  
**Above us only sky**  
Imagine all the people  
Living for today (ah ah ah)  
**Imagine there's no countries**  
**It isn't hard to do**  
**Nothing to kill or die for**  
**And no religion, too**  
**Imagine all the people**  
**Living life in peace**  
You may say that I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one  
**Imagine no possessions**  
**I wonder if you can**  
**No need for greed or hunger**  
**A brotherhood of man**  
Imagine all the people  
Sharing all the world  
You may say that I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one

There are no bad things (“hell”), only good things (“heaven”)

Here he asks us to imagine a world without anything that separates people (“countries and religion”).

He calls for a sacrifice of one’s possession as a step on the path of Enlightenment.

When you destroy a need for material goods, you also destroy any need for greed, and in turn war and suffering.

## LYRICS OF THE SONGS

## “What a wonderful love”

I see trees of green, red roses too  
I see them bloom for me and you  
And I think to myself what a wonderful world  
**I see skies of blue and clouds of white**  
**The bright blessed day, the dark sacred night**  
**And I think to myself what a wonderful world**  
**The colors of the rainbow so pretty in the sky**  
Are also on **the faces of people going by**  
**I see friends shaking hands saying how do you do**  
**They're really saying I love you**  
I hear babies crying, I watch them grow  
They'll learn much more than I'll never know

He’s saying despite the racism going on at the time, Louis was largely accepted into white society

He gives a message of hope. Despite all the starvation, poverty, genocide and the bad things that are happening, the world is a wonderful place full of beauty and we all need to take time to realize that and appreciate it.

He observes life around him, he sees people bond and develop relationships which, to him, make up for the dark sacred times that he witnesses in the world.

LYRICS OF  
THE SONGS

“Beautiful”

**Don't look at me**  
**Every day is so wonderful**  
**And suddenly, it's hard to breathe.**  
**Now and then, I get insecure**  
**From all the fame, I'm so ashamed.**

**I am beautiful, no matter what they say.**  
**Words can't bring me down.**  
I am beautiful in every single way.  
Yes, **words can't bring me down.**  
**So don't you bring me down today.**

To all your friends, you're delirious.  
So consumed in all your doom,  
Trying hard to fill the emptiness.  
The piece is gone  
And the puzzle undone.  
That's the way it is.

The first lines talk about insecurity. Some people go through life conditioned by other people's opinion

Next, lyrics express that beauty isn't just on the outside, it's also on the inside, and it doesn't correspond to stereotypes because perfection doesn't exist and imperfections makes you special and “beautiful” in every way.

She is giving a positive message, encouraging everybody to embrace and love themselves despite people's negative comments or opinions.

You are beautiful, no matter what they say.  
Words won't bring you down.  
You are beautiful in every single way.  
Yes, words won't bring you down.  
Don't you bring me down today.

**No matter what we do,**  
**No matter what they say,**  
**We're the song inside the tune**  
**Full of beautiful mistakes.**

**And everywhere we go**  
**The sun will always shine.**  
**And tomorrow we might wake on the other side.**  
**All the other times.**

**We are beautiful, no matter what they say.**  
**Yes, words won't bring us down.**  
**We are beautiful, no matter what they say.**  
**Yes, words can't bring us down.**  
Don't you bring me down today.  
Don't you bring me down today.

## "Black or White"

I took my baby on a Saturday bang  
Boy, is that girl with you?  
Yes, we're one and the same  
Now, I believe in miracles  
And a miracle has happened tonight  
**But, if you're thinking about my baby**  
**It don't matter if you're black or white**  
They print my message in the Saturday Sun  
I had to tell them I ain't second to none  
**And I told 'em about equality**  
**And it's true, either you're wrong or you're right**  
**But, if you're thinking about my baby**  
**It don't matter if you're black or white**  
I am tired of this devil  
I am tired of this stuff  
I am tired of this business  
So when the going gets rough  
I ain't scared of your brother  
I ain't scared of no sheets  
I ain't scared of nobody  
Girl, when the going gets mean

Michael points out that color or race separates the world, but he would prefer that the world not be that way. Instead, he wants to be looked at not by his skin, but by who he is.

He also explains that young people are often stereotyped to be part of gangs and often go to clubs. Then, they need protection from everyday danger but they are often unnoticed and left vulnerable, as governments focus their money on fighting wars, this is the reason for the metaphor of being a small "turf war".

In general, the lyrics of this song are a plea for racial tolerance.

**Protection for gangs, clubs and nations**  
**Causing grief in human relations**  
**It's a turf war on a global scale**  
**I'd rather hear both sides of the tale**  
**See, it's not about races**  
**Just places, faces**  
**Where your blood comes from is where your space is**  
I've seen the bright get duller  
**I'm not going to spend my life being a color**  
Don't tell me you agree with me  
When I saw you kicking dirt in my eye  
But, if you're thinking about my baby  
It don't matter if you're black or white  
But, if you're thinking about my baby  
It don't matter if you're black or white  
I said, if you're thinking of being my brother  
It don't matter if you're black or white  
It's black, it's white  
It's tough for you to get by  
It's black, it's white

**Love your curves and all your edges**

**All your perfect imperfections**

How many times do I have to tell you

Even when you're crying you're beautiful too

The world is beating you down, I'm around through every mood

You're my downfall, you're my muse

My heart can't take this damage

And the way I feel, can't stand it

Girl, you're making it hard for me

Girl, you're making it hard for me

Girl, you're making it hard for me

Girl, you're making it hard for me

### Lovely

Thought I found a way

Thought I found a way, yeah (found)

But you never go away (never go away)

So I guess I gotta stay now

Oh, I hope some day I'll make it out of here  
Even if it takes all night or a hundred years  
Need a place to hide, but I can't find one near  
Wanna feel alive, outside I can fight my fear  
Isn't it lovely, all alone?

Heart made of glass, my mind of stone

Tear me to pieces, skin to bone  
Hello, welcome home  
Walkin' out of town  
Lookin' for a better place  
Something's on my mind  
Always in my headspace

But I know some day I'll make it out of here

Even if it takes all night or a hundred years

Need a place to hide, but I can't find one near

Wanna feel alive, outside I can fight my fear

Isn't it lovely, all alone?  
Heart made of glass, my mind of stone  
Tear me to pieces, skin and bone  
Hello, welcome home / Woah, yeah Yeah, ah  
Woah, woah Hello, welcome home

Here she says that she is vulnerable but she has also become cold and hard.

12. If music were removed from the world, how would you feel?

Among all the different answers the ones expressing **VERY BAD FEELINGS** are the ones that stand up. These are some examples:

Devastated!

Sad

Utterly sad

Very sad

I would feel very bad ,  
disappointed and very sad.

Alone

Discouraged

I would feel sad

Very sad because  
music is what makes  
me feel alive

I would feel blue because I love music

very bad because not  
without music I can  
not live without it

Empty without feelings

I would be  
dissapointed...

Discontent

Depressed

I would feel terrible, because  
there can't be a world  
without music, we are music  
since we were born, nobody  
can take it away from us.

Empty inside

Frustrated, I woudln't  
have any way to disconect  
from my problems
