4. How do you listen to music? Number the options below from 1 to 8 (being 1 the one you use the most).

→ The most voted was **youtube** and **spotify**, standing out from the rest.

→ The one that collected the least votes was Pandora and iTunes.

→ Pandora is a little known platform in Portugal and iTunes will no longer be used by students because it is not accessible to many students.

10. Do you know the lyrics to all the songs you like?

- Always
- Almost always
- Sometimes
- Never

38,5%

40%

21,5%

→ There were very similar values between "Almost always" and "Sometimes".

→ This may be related to the fact that a large number of students refereed liking songs sung in another language.

→ Most of the songs indicated are in English, a language not yet fully understood by most students.

12. Which do you prefer, songs in English or songs in your own language?
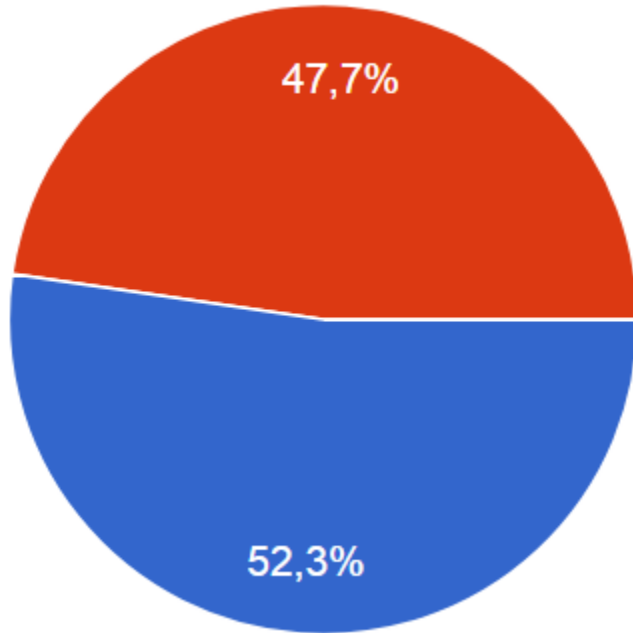

- 🔵 Songs in English
- 🔴 In my own language

47,7%

52,3%

→ There was almost a tie between the 2 options.

→ This may be related to the choice of song titles and singers / groups that sing not only in Portuguese from Portugal, but especially due to the songs sang in Brazilian Portuguese.
