SCHOOL EXCHANGE PARTNERSHIP

During the visit in Trikala, Gymnasio Valtinou involved other local institutions and enterprises making the project known to a wide variety of inhabitants of the area. A visit to the Music School of Trikala involved the students of both schools and the Erasmus team mingled with the teachers of the music school, who performed with traditional instruments and showed the students how to play them. Additionally, the team visited a bouzouki maker, Mr Golias who welcomed the students in his workshop.
