project  
TwinSpace

The screenshot shows the eTwinning Live interface for a project. At the top, the eTwinning Live logo is on the left, and navigation links for PEOPLE, EVENTS, PROJECTS (highlighted), GROUPS, PARTNER FORUMS, and PROFESSIONAL DEVELOPMENT are in the center. On the right, there is a 'Support' link, a user profile picture, and notification icons for a bell (with a '2' badge) and an envelope. Below the navigation bar, the project title 'Communication and Teaching in a Digital Society' is displayed in orange. To the left of the title is a document icon. Below the title, it says 'Registered on 17.01.2019 · Active'. Underneath are links for ABOUT (highlighted), MEMBERS, and PICTURES. On the far right of this section is a '# LIKES' button with the number '4'. Below the navigation bar, there is an orange button with a right-pointing arrow and the text 'GO TO TWinspace'. The main content area is split into two columns. The left column contains project details: ID (186940), Languages (български, English, malti, nederlands, Türkçe), Age range (From 14 to 19), and Subjects (Cross Curricular, European Studies). The right column is titled 'About the project' and contains a paragraph of text describing the project's goals and participants.

## About the project

This eT project is in connection with the Erasmus+ project „Creating an Innovative Platform of Communication and Teaching in a Digital Society“. The main assumption behind the project is the understanding that the teacher is the key figure in the educational process whose skills and competences are decisive for the quality and effectiveness of education. The project team consists of seven different institutional partners (schools, an NGO, and two regional departments of education) from Bulgaria, Malta, the Netherlands, and Turkey . Thus the project includes organizations that operate in diverse socio-economic, cultural and educational contexts. The target group is made up of about 50 English language teachers and 200 pupils. In addition, the project will reach about 300 teachers and pupils from schools, not involved in the project. The project activities will have both short-term and long-term impacts.

### About this event

The workshop will present 3 ICT tools, that teachers could use in their lessons - ScribbleMap, H5P Virtual Tour (360) and H5P Interactive Video. The tools are suitable for both, outdoor class and indoor class activities. You can use this tools for your eTwinning and Erasmus+ activities. The trainer, Tsvetanka Todorova is an ICT teacher and eTwinning Ambassador for Bulgaria.
