Some of my favourite people...

My sister- Gergana

Radina

Kimberly

Some of the things I enjoy doing...

I love travelling! I love visiting new places and getting to know their history, culture, heritage, remarkable places and of course trying the food! I love meeting the local people during my adventures and I enjoy listening to their stories and memories. It's one of the things I appreciate endlessly in my life and I am so grateful that I have the opportunity do this❤️

A short video of our Bulgaria ❤️

Other things I love...

Education

- Primary and Pre-Secondary Education (1-7th Grade) – Secondary School “ St. Paisyi Hilendarski”
- Upper Secondary Education (8-12th Grade)- Mathematical And Nature Sciences High School “Acad. Boyan Petkanchin”

I study IT, Computer Science and Mathematics with intensive study of English at school.

MY SCHOOL

EU My Erasmus+

Topic:

Research and
Conservation the
biodiversity and climate

Started:

September 2020-

Logo of the
project

How did I decide to participate?

- My main inspiration was my sister with her previous participation and experience with Erasmus.
- Ever since I went in high school, one of my goals was to get involved in this project.
- I liked the topic SO much that there wasn't chance for me not to participate.
- I knew it's going to give me a lot of real experience and I am going to refine my communication and presentation skills.
- Last, but not least, I knew I am going to meet amazing people and have a lot of fun!

 Some of my
projects:

Erasmus+

ЗАЩИТЕНИ ЖИВОТНИ В БЪЛГАРИЯ

Христина Паталова

Проект "Research and conservation the biodiversity
and climate"

□ Resume

All endangered, threatened and extinct species living on the territory of Bulgaria are listed in the Red Book. It includes three volumes and the second is about animals. Some of them are brown bear, Egyptian vulture and Black stork.

Поддържан резерват „Вельов вир“

Изготвил: Христина Паталова

Проект „ Research and conservation the biodiversity and climate“ Erasmus

□ Resume

Maintained reserve "Velov vir" is a protected area located in the old bank of the Ropotamo River, in the area "Kaisheva Shuma". It is also popular with its old name "Water Lilies". It was declared a reserve in 1962 and was re-categorized as a maintained reserve in 1999. Its area is 13.6 hectares. The nearest settlement is the town of Primorsko.

Erasmus+

Ден на Земята 2021

Earth
DAY

Нека възвърнем Земята!

□ Resume

International Earth Day - April 22, is the largest non-religious holiday in the world, celebrated by more than half a billion people. Each year, the International Earth Day Network coordinates the actions of more than 12,000 partners in 174 countries, aimed at protecting the planet Earth and preserving life on it. The network seeks to build broad civic support for sustainable and effective environmental development policies around the world.

АЗ ПАЗЯ ПРИРОДАТА

Рециклирам

Посаждам
дръвчета

Пестя вода

Пестя електричество

www.reallygreatsite.com

Предпочитам да велосипедирам

Не изхвърлям храна

Resume

The poster is about saving the nature. My suggestions are:

- 💡 Recycling;
- 💡 Planting trees;
- 💡 Saving water;
- 💡 Saving electricity;
- 💡 Bicycling;
- 💡 No food waste;

Co-funded by the
Erasmus+ Programme
of the European Union

А

1) Адаптация е термин в биологията, с който се означава процесът на приспособяване на организмите към различните условия на средата в рамките на своето еволюционно развитие.

Erasmus+ Programme
of the European Union

Б

1) Биоаккумуляция е постепенното натрупване на вещества, като пестициди или други химикали в организма.

2) Биомаса е масата на организмите на единица площ или обем. Съставена е от органичното вещество, синтезирано в процеса на развитие на микроорганизмите, растенията и животните. Измерва се в тон сухо вещество.

□ Resume

This is a digital dictionary with ecological and environmental terms. It says more about adaptation, bioaccumulation, biodiversity, biomass and environment.

My accomplishments:

- 💡 I learned a lot of new things, related to biodiversity, climate and saving our planet;
- 💡 I was able to show what I know;
- 💡 I developed my presentation skills;
- 💡 I was able to refine my communication and social skills;
- 💡 I met amazing new people;

✈️ What do I expect from our mobility in Portugal?

- 💡 To get more informed about biodiversity and nature in Portugal PT;
- 💡 To see and explore the beautiful Lisbon;
- 💡 To meet wonderful international new people;

We can stay in touch!
