For future visits : Aspects to improve on (6 responses)

Food in school, and have coffee break like in France

Cibo

I don't see anything to improve. It was a really good trip and all the visit was great. I'm sure I'm going to come back in Scotland ♡

Give students more food, possibility to do my own things in free time

More free time or better organisation

The organisation of the meeting wasn't so good. We had to wait everywhere for ages. In one host family should be only one guest.
