

YOUNGSTERS NOWADAYS, WHERE FROM, WHERE TO? THE SECOND LTTA ITALY 1-5 OCTOBER 2018

TEACHERS' FEEDBACK QUESTIONNAIRE RESULTS EVALUATION

The number of the teachers who filled in the questionnaire is 9.

After examining the information about the results of the survey for teachers at the end of the second LTTA, we have found out that

1- Almost all the attendees were content with the information received from the hosting school before the exchange visit.

2- All the attendees strongly agreed that the cultural activities were linked to the project's aims and to the European values.

3- Almost all the participants were satisfied with the interaction with the teachers from other partner schools.

4- All the teachers were fully satisfied with the competences acquired during the exchange visit.

5- All the participants were content with the level to which taking part in the exchange visit met professional and personal development needs.

6- Most of the teachers were happy with the extent to which taking part in the exchange visit satisfied the needs of their educational institution.

7- Almost all the participants were satisfied with the extent to which the second LTTA succeeded in letting the teachers enhance the quality of the leisure time activities of the students.

8- All the participants strongly agreed that the teachers encouraged students greatly in applying innovative strategies and tools while analyzing literary texts.

9- Half of the participants strongly agreed to the extent to which the acquired knowledge and competences would be used in the future and more than half strongly agreed to the statement.

10- All the teachers were fully satisfied with the overall experience of taking part in the exchange visit.

All in all, the second LTTA meeting was considered ad a great success by all the participants.
