

**Rebelheart** – one of the most prominent Lithuanian rock bands. The band was formed in 1992, and already in 1994 it was considered one of the most interesting rock bands in Lithuania, especially after the 1996 album "Ko pravirkai" with such famous songs as "Kelias pas tave", "Ko pravirkai" and "Juodas lietus".

The State Song and Dance Ensemble "Lietuva" is a professional joint art ensemble of dancers, national instrument orchestra and choir groups, established in Vilnius in 1940. For 80 years, the ensemble has been representing Lithuania, presenting to the world the cultural heritage of our country - stylized Lithuanian musical folklore, songs, dances, national costumes. The ensemble's productions have long been considered the standards of expression, quality and professionalism both in Lithuania and abroad. Over the entire history of the ensemble, more than 60 original concert programs have been created, more than 10,000 works have been performed and over 11,000 concerts have been organized.

Žemėj Lietuvos ažuolai žaliuos,

Ažuolai žaliuos, žemėj Lietuvos...

Nors esi maža, bet esi didi,

Nemuno vaga – tai tava širdis.

On the ground, Lithuanian oaks will  
turn green,

The Oaks will turn green in the land  
of Lithuania...

Although you are small, you are big,

The The Nemunas riverbed is your  
heart.
