

# Great father of Bohemia

We don't know if he existed or not.

He created Czech country. With Great father of Bohemia begun Czech history.

He was Slav. He was first ruler of Czech history.

He came from the East with his people and they climbed to the hill. The name of the hill is Říp.

He said: „Here it is super, there is a lot of animals, flowers and honey in this place. We will stay here.“

His brother was Krok.

When Great father of Bohemia died, Kroch became the ruler.

Krok had three dothers – Kazi, Teta a Libuše
