THE EVALUATION REPORT OF THE THIRD LEARNING, TEACHING AND TRAINING ACTIVITIES THAT TOOK PLACE AT ISTITUTO D’ISTRUZIONE SECONDARIA SUPERIORE “ERNESTO GUALA”

07.04.2019-13.04.2019

There were 39 participants who answered the evaluation questionnaire that was applied online through Google forms on the last day of the meeting.

1. What have you learnt during this meeting about all partner countries?

During this meeting I learn how use Google Documents

I learnt to work in a group

we are all equal

to compare different ideas to create a big project

to make one part of the videogame

That it is as difficult to work from a distance as it is easy to work together when we are all in the same place

Their culture and how is important the international friendship

i learnt how to work in team with people that i don't know and speak in an other language

I learned how to create sprites on Piskel.

their behaviour

to share ideas and how to work as a part of a team

I learn a lot of stuff about development in Unity.

That each partner school wants to improve their staff's and students' skills and competences and that all try to make a better future for all the people in Europe and the world.

I've learnt how to cooperate better with other people

That they are great people, with a nice variations on their personalities.

how they usually leave

I have learn a little of their culture

I have learnt how to make sounds and how to speak with other people

I managed to deepen my knowledge of different software. so the different teams from different countries were very generous with me and I think they were like that with everyone else

I learnt that every country is unique in its way

I learnt about how they study in their countries and some word in different countries .

That everybody is special on their own way, and that you can have friend all over the places.

I've realized how the point of view on a subject can be different and also how you work on something according to your nationality and also

I didn't learn about all partner countries

Work ion group and speak every day in english

everybody is unique and special.

I ditn't learn anything during this meeting.

I learnt how people outside of france work.

everybody is willing to cooperate and share ideas, opinions..also they are extremely friendly and i hope to maintain a close relation with them

I have learn the teamwork and many things

I learnt to work with people from abroad, who use different methods of teaching and learning

it was an experience in learning about Italian education and about how students and teachers from Europe work together

I learned how others work

nothing

Nothing.

I learnt the differences and the things that are alike about highschoools in the different countries

to communicate with people from foreign countries

to work all together

I tried my best to spend some time and talk to everyone but didn't succeed actually. The italians people welcome well everyone, organize free times for the others... That was very kind! And for the few I got to know they were friendly and curious!

2.Do you think that the three teams prepared the work for the meeting well?

39 de răspunsuri

3. What exactly did you personally learn from the activities that were unfolded during this meeting?

communicate with people of other nationality

I learnt to communicate with french and romanian people

to draw and make animation on piskel

I learn to use professional programs like piskel

I exactly learnt how to create sprite and animations

To produce official documents, to mediate, to manage the organization of the practical details

How to use Piskel

i learnt to do better graphism and improve my english

I have to make a video game.

new softwares

how to create sprite and animations

I learn to be the better at programing and also to work in a great team

That there is hard work while implementing a project, and I have raised my cultural awareness, computer skills and general knowledge regarding environment

I've learnt how to use unity better and how to use C#

How to wark in Unity and how to comunicate better.

how tp use unity

I have learn all the process of making a game and the hard work it request

I have learnt how to stay with other people and how to work well as a part of a team

I learned new techniques in different software

I learnt how to animate different objects and pictures

Personally i learn about the application gimp and pixel . I also learn to work as a graphic designer in a game .

How to work better in graphic design and how to speak better in English.

I learnt how to develop a game with Unity

I learn to do pixel art, management and graphism

Use Piskel and how to make a videogame

i learnt how to usedifferent programs

During this trip I learned a lot about graphism and managment.

I learnt how to use unity.

a lot of interesting things

I learned that teamwork is essential

I learned to do graphics on my computer.

I personally understood the steps to be taken in achieving a game level. we learned new things about climate change, about the environment.

how to use piskel.

I learned to use well piskel

Nothing.

Working with a a big team of people with different skills

I was able to improve my English level, work as a team in an efficient and fast way and to better use piskel and other softwares

to do the graphic design

I learned more about graphic design on Piskel and a bit of game development on Unity. I was also focused on recording voices for the game characters.

4. Do you think that the participants achieved the results that the project objectives targeted at?

39 de răspunsuri

5. How was the general working atmosphere during the meeting?

- friendly
- good
- Friendly
- really good
- very friendly and comfortable
- it was good and fun
- Positive and cooperative
- It was nice and quite/relaxed
- Good but people didn't want to mix between the different nationalities
- Good atmosphere.
- it was relaxing and fun
- It was very cool, I liked it a lot. Amazing team!!!
- Everybody tried to do their best to achieve the project's objectives
- nice
- Very calm and relaxing and you could work very efficient.
- It was really serious and hard-working
- It was funny and professional
- the atmosphere was very hardworking while being focused and what I appreciated was that everyone knew what they had to do and I didn't see anyone getting bored.
- The atmosphere while working was pleasant
- Sometimes good but sometimes boring .
- It was really calm and cool.
- The atmosphere was good and friendly

In my group the atmosphere was good
Very nice and helpful
everybody was so energetic and ready to help someone if it was necessary
The atmosphere wasn't that great.
The atmosphere was very good and people were nice.
Really funny but serious
It was a relaxing atmosphere.
It was an atmosphere of engagement full of team spirit.
the ambience was very good and funny but we work always and is so bad
god
Good.
The atmosphere was good, people worked together without any problem
pleasant
I think the students were mainly focused on their work but also tired because there were a lot of tasks to achieve and not much time

6. Were you satisfied with the accommodation and facilities? (E.g accommodation, ICT lab classrooms, food, equipment ?)

39 de răspunsuri

7. Did you like to work in international teams?

39 de răspunsuri

8. What aspects from the meeting do you think that worked well?

- all
- Everything
- the organisation
- to work in pairs
- Working in international teams
- The organisation of the team was good
- Teamworking
- all the teams worked equally
- The graphists worked very well in Piskel! Good job guys!
- Human relationships and the way the tasks were allocated. Everybody knew what they had to do
- Creating the game in unity
- The work for the game.
- work time
- The different groups with each nationalities
- The organisation of the work and the cooperation between teachers and students
- la création de team
- I think every aspect worked well
- The international teams, the activities out and the free times .
- All the work for the game and the communication.
- The aspect from the meeting that worked well was the cooperation with the 3 schools (because cooperation is key to success at work :))
- We did what we need to do in time
- The organisation of the groups and of the works
- working with people from different countries
- We did everything we had to do in time.
- every aspect of the meeting worked well
- I like the communication and the mutual help

Teamwork has contributed to the success of the meeting.

Accomplishment of tasks.

i dont know

i don't know

I don't know.

Splitting teams with each one having a particular role

collective work and its quality

the preparation of the game

When the students had to cooperate between all the specific working teams

9. What aspects from the meeting could have been better? How?

nothing

Anything

sometimes, we have not work to do

It would have been easie rif everyone had had a clear idea of what was happening all the time

We could do more trips

The relation between french people and the italian and romanian

Communication

the interactions

working in the group

It was a lot to do so we didn.t have the best timing in order to check all the necessities.

I do not know...

Timing

I don't know

don't know

Maybe the preparation for the work before

I honestly thought this place was great, so I can't tell you.

All of them worked well

The activities . They could have been more varied

Nothing.

none

The group could have been better because the italian and the roumain work only together and not with french people

Maybe we could do another trip

everything was fine

If the student wasn't divided it would have been better.

Everythings was good.

everything was perfect

Sleeping place

For me, everything was ok

-

i dont know

i don't know

I don't know.

Teams shouldn't have the same number of people, some teams needed a lot more people than others the rain, the gnocchis (with vegetables it's not good) and we walk a lot of times

the organisation

The students maybe need more time to spend together after the working days

10. Is there anything else you want to say regarding the meeting in Bra?

no

No.

nothing

no

No

No, anything

no thanks

/

Nothing

I was great! I would like to come back with the same team in order to have a reunion in the near future!

A great meeting with great results

I think that it was really good and well organised

I just thought it was a great experience.

The meeting in Bra was interesting and full of unforgettable experiences

The meeting in Bra was a great experience for me and I had to work with people that i didnt know which makes me more confident for work and the outside world

//

everything was fine

we stayed too much at school

Thats really cool and funny to be with Italian and roumanian Girl

i liked everything I learned in Bra.

It was an interesting experience.

i like this city

that the students from other countries invest more in the work

Great meeting

nothing special it's pretty good

has been wonderful

Nope

11. Do you think that the project will have a positive impact on the students and teachers from the three schools?

39 de răspunsuri

Yes	31
No	0
Maybe	6
I do not know	2

12. Do you think that the project will have a positive impact on the educational systems from the three partner schools?

39 de răspunsuri

Yes	26
No	0
Maybe	13
I do not know	0
