Let's Play Greener!

The presentation and promotion of the project at the beginning of the school year, in September 2017

Target group: the students and the teachers from Colegiul Național 'Ion Luca Caragiale' and the local community

Date of the activity: 05.09.2017/11.09.2017

On 5th September 2017, at the Teaching Staff's first meeting, the Romanian coordinator talked about the Erasmus + KA219 project 'Let's Play Greener!' that Colegiul Național 'Ion Luca Caragiale' would start implementing for two school years. She presented the type of project, its partners, its objectives, the target group, the activities, the final products and the expected impact on the target group.

She mentioned that there would be a selection of the project team, with criteria and the period of time when the students and teachers should apply for being a member of the project team, and everything would be according to the methodology of selection that had been devised.

On the first day of school, on 11th September 2017, the project coordinator presented the project's main aspects so that its objectives should be known to the target group and to the local community who attended the event. There were the students from our school, parents, the deputy mayor and representatives of different institutions,.
