  - *yes because we can learn differents thigs about other coutries*
  - *yes, you can meet new people*
  - *Yes because this is an opportunity to meet people from different countries .*
  - *Yes, because that kind of projects helps you to meet people from diferent countries and that's important because they can explain you some thinks about they'r country*
  - *Yes it is important because it brings us closer to each other.*
  - *Yes because we can talk with others students from different countries in Europe.*
  - *for good english*
  - *I think they are very important because with projects like this we learn about different cultures*
  - *Expirience*
  - *These projects are important for better teamwork.*
  - *it was ok but not important*
  - *For it's very important to develope our knowledge about other countries in EU and also meeting new people who are mostly friendly !!*
  - *yes, to learn the culture of different countries*
  - *yes! Ofcourse*
  - *Yes, because we learned about different countries and some interesting things about our history*
- + 3 x yes + 2 x no

6. Please give your suggestions for future projects of this kind!

- *Something like this because it was good*
- *I think more about all kinds of tradition around all the countries of the world*
- *It's perfect to meet new people and cultures.*
- *I think people should get to know other cultures more*
- *I'd like to do more projects like these, and I would suggest to be more comunicative with the other studets in the future.*
- *could stay as it is right now.*
- *Do it in german!*
- *I'd like to do this kind of projects and I think that the other countries should involucrate more in this project*
- *- Do more video-calls - Speak with people from different countries - Work in projects with new people*
- *One suggestion I make is to communicate more directly with other students by making more video calls.*

- *Personal conversations with the other students from different countries*
  - *More organization*
  - *Maybe in the future you could video chat with the students from other countries and cities at school instead of just always uploading written material, because over time it got boring to work on the same thing over and over again*
  - *advantages of students in the country*
  - *I don't have any suggestion*
  - *At the end of the school years we can meet for real life the students (a travel)*
  - *i don't know*
  - *I think there is nothing i would change*
  - *More Communication between the different countries*
  - *It's perfect , it's doesn't need more !*
  - *I don't know*
  - *Idk*
  - *Mas comunicación con los estudiantes de otros sitios.*
  - *Savings*
  - *I don't have any suggestion to you*
  - *Nebudu*
  - *The future project should be about what people really like in there countries. Student will be more interested and motivated to talk about their things.*
  - *To practice more the talk skills*
  - *my suggestions would be that to continue with the project all the institutes show more interest and communicate more.*
  - *I have no suggestions*
  - *i dont have a suggestion because is very good !!*
  - *Sport projects*
  - *it will be great if we can meet in person the students*
  - *Meet for real the others students .*
  - *In my opinion the project is perfect but we can do so much talk with the other countries and we don't do it*
  - *I would like to have a soccer tournament with the countries of the project to know who is the best country.*
  - *Finally have the opportunity to meet the students we talked to.*
  - *I dont have any suggestions.*
  - *Maybe more online meeting , or more projet with the other class ?*
  - *i dont no*
  - *I think that this project should be continued in future.*
  - *It was little bit longer and sometimes boring, because when someone was missing the class others need to do work for him.*
- + 2 x yes + 2 x no
