

VISIO: Wednesday December 1st 2021 – 18.30 pm

1. **Introduction:** our sanitary and teaching conditions in our countries.
2. **First Transnational meeting : our newsletter**
 - ✕ we still need our first mobility evaluation.
 - ✕ our newsletter has not been seen a lot, only 66 views so far. Some countries have not started any dissemination yet.
 - ✕ our dissemination plan is: local, national and European.
 - ✕ Italy will open our Instagram account those coming days.
 - ✕ Slovenia suggest organizing a dissemination event of our project later on.
3. **First intercultural dialogue event:** we decide to exchange handmade and virtual postcards for Christmas. We want to mix handmade and digital creativity forms.
DEAD END: should be sent by December 11th
4. **Our first students' activity: "get the students into our role play."**
 - a. The Slovenian students are to join the TwinSpace soon.
 - b. **TEACHERS & STUDENTS:** First brainstorming for the students to understand what an entertainment agency is: use and improve the mind maps suggested by the French students on the TwinSpace in order to create a final unique mind map which will be embedded in a Genially to introduce our Stars & Creativity Entertainment agency along with other documents: the slogan, logo, artists...
DEAD END: December 17th
 - c. **The teachers** shall read some documents following links shared on the TwinSpace and use the collaborative tools on the TwinSpace to imagine a suitable "resume and cover letter" for our students to fill in to be hired by the Agency. We mustn't forget to share our postal address on our TwinSpace school page.
DEAD END: December 17th
 - d. **The students** will be asked to write their resume and cover letter and to show a talent through a video alone or in group; the agency mind map will help them find one talent including creating costumes and decorations as well as digital arts. The goal is also to allow the students to start understanding the idea of hard and soft skills too. **DEAD END: January**
 - e. Once hired, the students will make their badge digitally. **January**
 - f. As suggested by Slovenia, we will first vote for a national logo on the TwinSpace; then, we will create our project logo with the 4 selected national logos. **January.**
5. **Our mobility to Poland: Poland should create a page on the TwinSpace this week so that we can get organized.**
 - a. We will try to have a face-to-face mobility if we can.
 - b. Remember: 7 students + 2 teachers for each sending organization; 6 school working days + 2 travelling days. (Sunday-Sunday / Saturday – Saturday to be checked on application)
 - c. Possible dates: February 12th-19th OR February 19th to 26th 2022 according to school possibilities = to be confirmed before Christmas holidays.
 - d. Poland should create a draft page to share useful information: sanitary travel requirements, recommended airports, transport from airport to the school,

hosting info, canteen, recommended hotels, transport from hosting families and hotels to school, ...

- e. Vaccinated hosted families should be possible.
 - f. Each school could organize a parents' meeting to introduce the project and make sure the parents are informed about travel requirements too.
 - g. We can buy plane tickets with a quarantine insurance.
6. TwinSpace documentation: share your dissemination or on our Wakelet Or with screen shots or links on your dissemination page; document your activities for example share pictures of the students creating and writing their Christmas postcards... or working on the mindmaps...

END OF THE VISIO. 19.30pm
