

DIRES Newsletter Erasmus+

January 2016

Our First LTT

All partners with students met together for the first short-term learning/teaching/training activity from 17th January to 23rd January 2016 at "Our Lady of Fatima School" in Wexford - Ireland.

It was a great week for teachers but above all for students that met new friends from other countries, experienced new situations and shared opinions too.

Now we have the official logo of DIRES because we voted choosing from the winner logo of each partner country. The winner logo is from Murat school .

We worked hard and we are satisfied for what we planned.

The students enjoyed the different activities planned : cookery, jewellery. North end, circus skills and guitar. They had a great time during the culture night : tasting different foods from the different countries , singing and dancing too.

Thank you Glenda and Melissa for your fast and excellent organization.
