## LOGO COMPETITION

I.C. "J.Stella" - Muro Lucano - Potenza - Italy

"G. Deledda" Secondary School Department in Pescopagano

N° 1 DECEMBER 2015

## The Erasmus + logo

The Italian students were very busy for "logo" activity. It was a new activity for them. They enjoyed it and each student realized one logo. The activity was coordinated by Mrs Anna Piu, the Art teacher. We exhibited all the "logos" on the noticeboard in the hall of the school building. The jury formed from the teachers in the project group voted. The winner logo representing Italy was realized by Maria Pia Pucillo, attending the third class of "G. Deledda" secondary school in Pescopagano, a department of "J. Stella" in Muro Lucano.
