

## Vigo “Sireno”

It's a monument of a mermaid-man in a high pedestal, built by Francisco Leiro in 1991. It's one of Vigo's emblem and one of the two meeting points in Vigo, near “Porta do Sol”.

## Lugo's Wall

It's the wall that goes around Lugo.  
The legend says that that wall was built by the romans to protect the  
Lucus Augustu's Forest.
