

# THE FOUNTAINS OF VIGO

- PICTURE 1 - This is the fountain of "Plaza de España". This fountain was built in the year 1991 by Juan Oliveira. This fountain has 5 horses, it is 20 metres high and it's a symbol of the city.
  
- PICTURE 2 - These are the 3 fountain of the street Jenaro de la fuente. At night the fountains have multicoloured lights and it is beautiful. These fountains were built in 1932 in homage to the builder Jenaro de la fuente.
