

OUR SCHOOL: IES Luís Seoane

OUR TOWN

Pontevedra, Galicia (Northwest of Spain)

OUR NEIGHBOURHOOD MONTE PORREIRO

Monteporreiro is a multiethnic and multicultural neighbourhood. It was set up in 1970. Although families have a medium-low socioeconomic level, they also share an important community feeling.

900 students
72 teachers
11 members of non-teaching staff.

1. Our common project: “to educate in a quality, equitable, integrating, scientific way through the students’ whole life”.

In this project families are an important part, as they always cooperate. They are an active part in the educative process so we can teach “how to live together”.

A community that works in a cooperative way so that the students reach the key competences both for their academic and professional development, as well as for life .

PROJECTS

- The Slave route
- World Heritage in the hands of the youth
- The Atlantic
- Go and back ways
- Sustainable Development
- Objective: Equality
- UNESMUN (United Nations Model)
