

**Macchia is very small, but with fantastic people it has a municipal swimming pool, a yoghurt and ice cream bar, restaurants; it has a playground where children go to play with their families. There are also two churches, Macchia is really beautiful for me and I love living there.**

Macchia, Montecorvino Pugliano, Faiano

I live in Bivio Pratole a hamlet of Montecorvino Pugliano in the province of Salerno .

Here you can find the large town with the main seat in Montecorvino Pugliano and the seat in Bivio Pratole .

There are primary schools and secondary school.

Next to the school, for young people ,there is a beautiful football field.

We have a large church with a square in front of it that hosts major events.

Another large structure is the Palasiani ,a sporting hall.
