

PAINTING ACTIVITY

As we agreed in Finland, we're sending you the plan for the paint activity. Each country has to select three paintings or painters and send them to the country we show you:

SPAIN		FINLAND
FINLAND		CROATIA
CROATIA		ITALIA
ITALIA		ROMANIA
ROMANIA		POLAND
POLAND		CZECH REPUBLIC
CZECH REPUBLIC		SPAIN

In the doc we will send to our partner we must attach:

PICTURE					
NAME OF THE PAINTING	PAINTER	YEAR / STYLE	WHERE IS THE PICTURE NOW	WHAT IT MEANS OR REPRESENTS	WHY HAVE WE SELECTED IT

With these three pictures each country can choose what to do. These were our ideas in Finland:

1. Paint exactly the same picture using different technique or style (for example, to paint Picasso's Guernica using Akseli Gallen-Kallela's style).
2. Paint another picture with the same concept (traditional landscape/portrait/still nature...) using the style or technique in the one we have received (for example, to paint a czech person / landscape... using the given technique from Poland, like Tamara de Lempicka's style).
3. Paint a famous picture from our country using the style or technique in the given picture (for example, to paint La Gioconda using Ivan Generalic's technique or style)

We didn't talk about the deadline, only agreed it will be during the first term. But you know, we all have CREATIVE WINTER in December, so let's try to finish with this before getting into the next activity.

Also, we will send you the didactic dossier with International Children Rights for November 20th as soon as possible (like we did last year with Peace Day).

We all are working on the PHOTO CONTEST too, and it has deadline, on November 30th it must be uploaded to DRIVE. Remember:

3 ARCHITECTURE PHOTOS	3 NATURE PHOTOS	3 URBAN ART PHOTOS
Each country votes its own winners and then, we will upload to our DRIVE to show them.
