

# My holiday in Spain

I have never been to Spain, but I certainly would like to go there. I would look at football, bouts and sights. Significant football clubs are Real Madrid and Barcelona. Here are the most famous footballers Cristiano Ronaldo and Lionel Messi. Seeing them playing live would definitely be an experience. As for the bout, the Spaniards are biting along the streets, which I would like to see. As far as monuments are concerned, there is a lot in Spain. Only in Madrid there are plenty of sights such as the Royal Palace, museums and galleries. There are many beautiful squares with statues and fountains, such as the Monument of Miguel de Cervantes, written by Don Quixote. I would definitely want to see these monuments. I would not even cross the coast of Spain, where there are beautiful beaches by the sea. Being on holiday in Spain would be a great experience. Maybe I'll check out sometimes
