BEGINNING

- ▶ The whole story begins with the fact that on the planet Mustafar the highest leader Kylo Ren is looking for a Sith tracer that will lead him to the planet Exegol.
- ▶ There you will find the hidden and formerly " dead " Emperor Palpatine, who is alive.
- ▶ For ten whole years, with the help of your search engines searching for a huge fleet, he is called the Final Order. (Rey).

END

- The whole film ends on the planet Tatooine on the former farm where Luke Skywalker grew up and in front of his father Anakin Skywalker. There, Rey hides Luke and Leia's sword in the sand.
- She then shows her own, yellow sword original from her camera. No little local who tells her that no one has had them for many years and then asks her what her name is.
- Rey, who will see the Duchy of Luke and Leia in the distance, Rey Skywalker answers. This shows that it does not matter who he is, but there is none in his heart. It is also the successor to the Skywalker line. The film ends with Rey smoking BB-8 to the sunset of two suns.

WHY CHOOSE THIS FILM ?

- I watched previous parts so I wanted to see this one.
- I like this kind of movie.
- It 's sad at first, but I still consider it an adventure film.

MY OPINION
