

Subject: Authorizations needed

Dear

As part of our IT project, and to make learning more efficient, open to new IT tools and technologies, and to develop the skills of the 21st century, we have registered on the Etwinning + learning platform. partnership between the Tunisian Ministry of Education and the countries of Europe). In fact, the student will be much more motivated by working in partnership with other students from Tunisia or other countries of Europe. Our activities will be published on our secure and private workspace, where all students have personal accounts.

Because your child is a minor, your permission is required so that he or she can participate in all activities in the class in relation with this project

Note please :

All sound recordings, photos and videos will only be used by the teacher for school purposes.
